TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of October 10, 2014, is made by METALTEC STEEL ABRASIVE COMPANY, a Michigan corporation (the "Grantor"), in favor of Abacus Finance Group, LLC, in its capacity as administrative agent for the Lenders party to the Credit Agreement referred to below (in such capacity, the "Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among Grantor, Metaltec Acquisition Corp., a Michigan corporation ("Metaltec Acquisition"), and together with Grantor, collectively, "Borrowers" and each a "Borrower"), the lenders from time to time party thereto (the "Lenders") and the Administrative Agent, the Lenders have agreed to extend credit and make certain financial accommodations to each Borrower;

WHEREAS, in connection with the Credit Agreement, Grantor, the other Loan Parties and Agent are entering into that certain Guarantee and Collateral Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"); and

WHEREAS, pursuant to the Collateral Agreement, Grantor is required to execute and deliver to Agent, for the ratable benefit of the Secured Parties, this Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Collateral Agreement or, if not otherwise defined in the Collateral Agreement, the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby pledges and grants to Agent, for the ratable benefit of the Secured Parties, a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

2.1. all of its Trademarks, including those referred to on Schedule I hereto, excluding only United States intent-to-use trademark applications to the extent that and solely during the period in which the grant of a security interest therein would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

2.2. all extensions and renewals of the foregoing;

2.3. all goodwill connected with the use of, and symbolized by, each such Trademark;

2.4. all rights of any kind whatsoever of the Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

2.5. any and all royalties, fees, income, payments, products and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

2.6. any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

3. COLLATERAL AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Agent, for the ratable benefit of the Secured Parties, pursuant to the Collateral Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of a conflict between the provisions of this Agreement and the Collateral Agreement, the Collateral Agreement shall control. This Agreement shall constitute a Collateral Document and a Loan Document (as such terms are defined in the Credit Agreement).

4. AMENDMENTS IN WRITING. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by an instrument in writing signed by the Agent and the Grantor.

5. GOVERNING LAW. This Agreement and the rights and obligations of the parties hereto shall be governed by the internal laws of the State of New York applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

6. COUNTERPARTS. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Receipt by telecopy or other electronic transmission (including "PDF") of any executed signature page to this Agreement shall constitute effective delivery of such signature page.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
