**AMENDED AND RESTATED
TRADEMARK SECURITY AGREEMENT**

AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT (the "Agreement") dated as of September 4, 2014 between **F & M Tool & Plastics, Inc.** (herein, the "Borrower"), a corporation duly organized and validly existing under the laws of the Commonwealth of Massachusetts having a principal place of business at 163 Pioneer Drive, Leominster, Massachusetts 01453 and **UniBank for Savings**, as administrative agent and collateral agent for the Lenders (as hereinafter defined) (together with any successor thereto in such capacity, the "Agent"), with a place of business at 49 Church Street, Whitinsville, Massachusetts 01588.

For the purposes of this Agreement, "Lenders" shall mean **UniBank for Savings** and **Webster Bank, National Association** and any other bank and other financial institution or entity which becomes a party to the Loan Agreement (as hereinafter defined), and the successors and assigns of each.

RECITALS:

A. The Borrower, the Agent, the Lenders and certain other parties have entered into an Amended and Restated Loan and Security Agreement between the Lenders, the Borrower, the Agent and certain other parties dated September 4, 2014 which amended, restated and replaced the Loan and Security Agreement between the Borrower, UniBank for Savings and certain other parties dated July 28, 2011 (as the same may be amended, restated, replaced, modified, consolidated, supplemented or extended from time to time hereafter, the "Loan Agreement"); and

B. As a condition precedent to continuing to make the Loans under the Loan Agreement, Borrower is required to execute and deliver this Agreement and to grant to the Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure all the Obligations.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Borrower agrees as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, capitalized terms used in this Agreement, including its preamble and recitals, having the meanings provided in the Loan Agreement. In addition, for purposes hereof: (i) "Intellectual Property" means patents, copyrights, service marks, trade names, trade styles, logos, goodwill, trade secrets, trademarks, and licenses acquired under any statutory, common law or registration process in any state or nation at any time, or under any agreement executed with any person or entity at any time; (ii) the term "license" refers not only to rights granted by agreement from the owner of patents, copyrights, trademarks, service marks and the like, but also to rights granted by a franchisor under a franchise or similar agreement. The foregoing enumeration is not intended as a limitation of the meaning of the term "license"; and (iii) the term "Obligations" means all liabilities and obligations now or hereafter owing from the Borrower to the Lenders of whatever

kind or nature, whether or not currently contemplated at the time of this Agreement, whether such obligations be direct or indirect, absolute or contingent or due or to become due, including, without limitation, all unpaid principal under any Note of the Borrower, all accrued interest and all costs and expenses, including attorney's fees, costs and expenses relating to the appraisal and/or valuation of assets and all costs and expenses incurred or paid by the Agent in exercising, preserving, defending, collecting, administering, enforcing or protecting any of its rights under the Obligations or hereunder or with respect to the Collateral or any litigation arising out of the transactions evidenced by the Obligations.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Obligations, the Borrower does hereby assign, pledge and grant to the Agent, for the ratable benefit of the Lenders, a security interest in all of the Borrower's right, title and interest in and to the following property (the "Trademark Collateral"), whether now owned or hereafter existing or acquired:

(a) all of Borrower's registered and unregistered trademarks, trademark applications, service marks, trade names, trade styles, logos, goodwill and rights in trademark applications, trademarks, service marks, trade names, trade styles, logos and goodwill owned by others (collectively the "Trademarks") which in the case of trademarks or trademark applications, are now or hereafter issued by or filed with the U.S. Patent and Trademark Office or any similar office or agency of any other countries, including without limitation the trademarks and trademark applications listed in Schedule I attached hereto and made a part hereof;

(b) all Intellectual Property that is related to the Trademark Collateral; and

(c) all proceeds of all of the foregoing (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements of the Trademarks, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

SECTION 3. Borrower's Covenants and Representations. The Borrower represents, warrants and covenants that, to the best of its knowledge:

(a) The Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

(b) Each of the Trademarks is valid and enforceable and the Borrower has notified the Agent in writing of all prior assignments (including public uses and sales) of which it is aware;

(c) The Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, free and clear of any liens,

charges and encumbrances except as disclosed in the Loan Agreement, including without limitation, licenses, shop rights and covenants by the Borrower not to sue third persons;

(d) The Borrower has the unqualified right to enter into this Agreement and perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents and consultants which will enable it to comply with the covenants herein contained; and

(e) Until all of the Obligations shall have been satisfied in full, it will not enter into any agreement (for example, a license agreement) which is inconsistent with the Borrower's obligations under this Agreement, without the Agent's prior written consent.

SECTION 4. Security Agreement. This Agreement has been executed and delivered by Borrower for the purpose of recording the security interest of the Agent in the Collateral with the United States Patent and Trademark Office and with the corresponding offices and authorities of any local, state or foreign governments. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Agent under the Loan Agreement. The Loan Agreement (and all rights and remedies of the Agent thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 5. Additional Collateral. If, before the Obligations shall have been satisfied in full, the Borrower shall obtain rights to any new trademark or become entitled to the benefit of any trademark application or trademark for any reissue, division, continuation, renewal, extension or continuation-in-part of any Trademarks or any improvement on any Trademarks, the provisions of Section 2 hereof shall automatically apply thereto and the Borrower shall give to the Agent prompt notice thereof in writing. The Borrower authorizes the Agent to modify this Agreement by amending Schedule I hereto to include any such future trademarks and trademark applications.

SECTION 6. Attorney-in-Fact. The Borrower hereby appoints the Agent, or its designee, as the Borrower's true and lawful attorney-in-fact (without requiring the Agent to act as such), with full power, upon the occurrence of an Event of Default and at any time thereafter, as follows: (a) to sell, transfer or assign the Trademarks and the other Trademark Collateral or any part thereof, (b) to grant any license or sublicense to make, have made, use or sell under or pursuant to any or all of the Trademarks, (c) to seek issuance of all Trademarks in accordance with this Agreement (d) to execute and file assignments of the Trademarks and the other Trademark Collateral in the name of the Borrower with the U.S. Trademark and Trademark Office or any similar office or agency of any other country as it may deem appropriate, (e) to perform all acts required or permitted to be performed in connection with maintaining the Trademarks and the other Trademark Collateral, and (f) to perform all other acts to perfect and continue the Agent's security interest in, and to protect, preserve and enforce the Trademarks and the other Trademark Collateral.

SECTION 7. Agent's Fees and Expenses. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses,

incurred by the Agent in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining, preserving the Trademarks and the other Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks and the other Trademark Collateral, shall be borne and paid by the Borrower on demand by the Agent and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the highest rate prescribed under the Obligations.

SECTION 8. Trademarks to be Issued; Agent's Expenses. The Borrower shall have the duty, through counsel acceptable to the Agent, to prosecute diligently any trademark application with respect to the Trademarks pending as of the date of this Agreement or thereafter until the Obligations shall have been paid in full, to make application for trademarks and to preserve and maintain all rights in trademark applications and the Trademarks. Any expenses incurred in connection with such an application shall be borne by the Borrower. The Borrower shall not abandon any right to file a trademark application, or any pending trademark application or Trademark without the consent of the Agent, which consent shall not be unreasonably withheld.

SECTION 9. Enforcement. The Agent shall have the right but shall in no way be obligated to bring suit in its own name to enforce the Trademarks and the other Trademark Collateral and any license thereunder, in which event the Borrower shall at the request of the Agent do any and all lawful acts and execute any and all proper documents required by the Agent in aid of such enforcement and the Borrower shall promptly, upon demand, reimburse and indemnify the Agent for all costs and expenses incurred by the Agent in the exercise of its rights under this Section 9.

SECTION 10. Cumulative Rights and Remedies. All of the Agent's rights and remedies, with respect to the Trademarks and the other Trademark Collateral, whether established hereby or by the Loan Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently.

SECTION 11. Release of Security Interest. Upon payment in full of all Obligations and the termination of all commitments, if any, of the Agent, the Agent shall, at Borrower's expense, execute and deliver to Borrower all instruments and other documents as may be necessary or proper to release the lien or the security interest in the Trademark Collateral which has been granted hereunder.

SECTION 12. Acknowledgment. Borrower does hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 13. Loan Document, etc. This Agreement is a Loan Document executed pursuant to the Loan Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Loan Agreement.

SECTION 14. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.
