TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this “**Trademark Assignment**”) is made and entered into effective as of February 28th, 2014 (the “**Effective Date**”), by and between Astellas Ireland Co., Ltd., a company organized under the laws of Ireland (“**Assignor**”), and Astellas Pharma US, Inc., a company organized under the laws of Delaware (“**Buyer**”). Assignor and Buyer are sometimes referred to herein individually as a “**Party**” and collectively as the “**Parties**.”

RECITALS

WHEREAS, Assignor is the sole and exclusive owner in the applicable jurisdiction of the Trademarks set forth on Schedule A attached hereto and made part hereof (collectively, the “**Purchased Trademarks**”); and

WHEREAS, Buyer wishes to acquire from Assignor, and Assignor wishes to assign, transfer, convey and deliver to Buyer, the Purchased Trademarks, together with all common law rights therein and all goodwill of the business associated with and symbolized by the Purchased Trademarks.

NOW, THEREFORE, in consideration of the premises and the mutual promises and conditions hereinafter set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby agree as follows:

1. Conveyance and Acceptance of Purchased Trademarks. Effective as of the Effective Date, (a) Assignor hereby irrevocably, without reservation, assigns, transfers, conveys and delivers to Buyer (and to Buyer’s successors and assigns), all of its right, title and interest in and to the Purchased Trademarks, including all common law rights therein and all trademark registrations and registration applications for the Purchased Trademarks, together with all proceeds, benefits, privileges, causes of action, and remedies relating to the Purchased Trademarks, all rights to bring an action, whether at law or in equity, for infringement, dilution, misappropriation, misuse or other violation of the Purchased Trademarks against any third party, all rights to recover damages, profits and injunctive relief for infringement, dilution, misappropriation, misuse, or other violation of the Purchased Trademarks, and all goodwill of the business associated with and symbolized by the Purchased Trademarks and (b) Buyer hereby accepts such assignment, transfer, conveyance and delivery and agrees to assume and undertake to pay, discharge and perform all liabilities arising out of the Purchased Trademarks.

2. Recordation. Assignor hereby authorizes Buyer to record this Trademark Assignment with the U.S. Patent and Trademark Office and all other applicable foreign trademark offices or other relevant governmental authorities.

3. Further Acts. Each Party shall duly execute and deliver, or cause to be duly executed and delivered, such further instruments and do and cause to be done such further acts and things, including the filing of such assignments, agreements, documents and instruments, as may be necessary or as the other Party may reasonably request in order to fulfill the purposes and intent of this Trademark Assignment.

4. Governing Law. This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Illinois, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Trademark Assignment to the substantive law of another jurisdiction. The Parties agree to exclude the application to this Trademark Assignment of the United Nations Convention on Contracts for the International Sale of Goods.

5. Waiver and Non-Exclusion of Remedies. Any term or condition of this Trademark Assignment may be waived at any time by the Party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the Party waiving such term or condition. The waiver by any Party of any right hereunder or of the failure to perform or of a breach by the other Party shall not be deemed a waiver of any other right hereunder or of any other breach or failure by said other Party whether of a similar nature or otherwise. The rights and remedies provided herein are cumulative and do not exclude any other right or remedy provided by applicable law or otherwise available except as expressly set forth herein.

6. Successors and Assigns. This Trademark Assignment will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and permitted assigns.

7. Amendment. This Trademark Assignment may not be modified, amended, altered or supplemented except upon the execution and delivery of a written agreement executed by both Parties hereto.

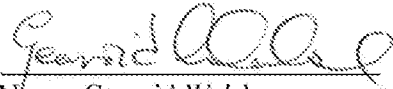

8. Entire Agreement. This Trademark Assignment, together with the Schedule expressly contemplated hereby and attached hereto, contains the entire agreement among the Parties with respect to the transactions contemplated hereby and supersedes all prior agreements, understandings, promises and representations, whether written or oral, among the Parties with respect to the subject matter hereof. Each Party confirms that it is not relying on any representations or warranties of the other Party except as specifically set forth herein.

9. Counterparts. This Trademark Assignment may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall constitute but one agreement. Delivery of an executed counterpart of a signature page of this Trademark Assignment by facsimile or other electronic transmission shall be effective as delivery of a manually executed original counterpart of this Trademark Assignment.

[Signature page follows]

IN WITNESS WHEREOF, the undersigned have duly executed this Trademark Assignment, as of the date first above written.

Astellas Ireland Co., Ltd.
