TRADEMARK

**TRADEMARK SECURITY AGREEMENT**

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is entered into as of October 23, 2014, by and among **SUTHERLAND HEALTHCARE SOLUTIONS INC.**, a Delaware corporation (“Grantor”) and **BANK OF AMERICA, N.A.**, in its capacity as collateral agent for the Secured Parties (in such capacity, the “Agent”).

**WITNESSETH:**

WHEREAS, Grantor is party to a Pledge and Security Agreement, dated as of October 23, 2014 (as it may be from time to time amended, restated, amended and restated, replaced, supplemented and/or otherwise modified, the “Security Agreement”), by and among **SUTHERLAND GLOBAL SERVICES INC.**, a New York corporation (“US Borrower”), **SUTHERLAND GLOBAL HOLDINGS INC.**, a Delaware corporation (“Holdings”), certain Subsidiaries of the U.S. Borrower from time to time party hereto (each, a “Subsidiary Party” and, collectively, the “Subsidiary Parties”) and Agent, in favor of the Agent pursuant to which Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement (as defined in the Security Agreement), Grantor hereby agrees with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantor hereby pledges and grants to the Agent, for the benefit of the Secured Parties, and to secure the prompt and complete payment and performance of all Secured Obligations, a security interest in all of its right, title and interest in, to and under all of the following property and other assets, whether now owned by or owing to, or hereafter acquired by or arising in favor of, such Grantor (including under any trade name or derivations thereof), and regardless of where located:

- (a) United States Trademarks of Grantor listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all proceeds of any and all of the foregoing.

Notwithstanding anything to the contrary contained in this Trademark Security Agreement, the security interest created by this Trademark Security Agreement shall not extend to any United States intent-to-use trademark applications prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement, and Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are

more fully set forth in the Security Agreement (and are expressly subject to the terms and conditions thereof). In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with its terms, the Agent shall execute, acknowledge, and deliver to Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 7. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

**[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]**

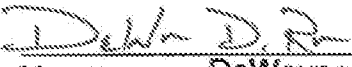

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
