A FIFTH THIRD BANCORP BANK**TRADEMARK SECURITY AGREEMENT**

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of October 10, 2014 (the "Effective Date"), is entered into by and among **LASERSHIP, INC.**, a Delaware corporation ("LaserShip"), **PRESTIGE DELIVERY SYSTEMS, LLC**, a Delaware limited liability company ("Prestige"; and, together with LaserShip, each a "Debtor" and, collectively, "Debtors"), each with a principal place of business and mailing address of 1912 Woodford Road, Vienna, VA 22182 and **FIFTH THIRD BANK**, an Ohio banking corporation, as Agent for the benefit of the Secured Creditors (as defined below) ("Agent"). Debtors hereby grant to Agent, for the benefit of the Secured Creditors, a continuing security interest in and to, and a Lien on, all of the Trademark Collateral (as defined in Section 2 of this Agreement). Each Debtor and Agent hereby further agree as follows:

1. SECURED OBLIGATIONS: The security interest and Lien hereby granted shall secure the full, prompt and complete payment and performance of all of the Obligations, as that term is defined in the Revolving Credit Agreement dated of even date herewith by and among Debtors, the other Borrowers party thereto, LS-MCP Holdings II, Inc., a Delaware corporation, the Lenders party thereto and Fifth Third Bank as Agent and as LC Issuer (as may be amended, renewed, consolidated, restated or replaced from time to time, the "Credit Agreement").

2. TRADEMARK COLLATERAL: The collateral in which a security interest and Lien is hereby granted (all of the following being, collectively, the "Trademark Collateral") comprises collectively (whether now owned or hereafter acquired): (a) all of each Debtor's right, title and interest in and to all of its now or in the future owned or existing trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service mark applications (exclusive, for purposes only of this Agreement, of any Intent to Use Applications as defined below), including each mark, registration, and application listed on Schedule I attached hereto and made a part hereof (the property in this item (a) being collectively, the "Trademarks"); (b) all renewals of each of the Trademarks; (c) all income, royalties, damages and payments now and in the future due or payable under or with respect to any and all of the Trademarks, including damages and payments for past or future infringements of any and all of the Trademarks; (d) all rights to sue for past, present and future infringements of any and all of the Trademarks; (e) all rights corresponding to any and all of the Trademarks throughout the world; (f) all rights of each Debtor as licensor or licensee under, and with respect to, trademarks, service marks, trade names, and trademark and service mark registrations and applications, including the licenses listed on Schedule I and the Trademark Licenses (as defined in Section 4(a)) (each Debtor's rights as licensor or licensee sometimes referred to in this Agreement collectively as "Trademark License Rights"); (g) all books, records, cash and non-cash proceeds of any and all of the foregoing, and (h) together in each case with the goodwill of each Debtor's business connected with the use of, and symbolized by, the foregoing. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement is intended to be, or may be construed to be, an assignment of any application to register any trademark or service mark based on any intent to use filed by, or on

behalf of, any Debtor (“Intent to Use Applications”), and any Intent to Use Applications are specifically excluded from the Trademark Collateral for purposes of this Agreement.

3. DEFINITIONS: Any capitalized term used but not defined herein shall have the meaning ascribed thereto in the Credit Agreement. “Uniform Commercial Code” means the Uniform Commercial Code as adopted in each applicable jurisdiction, as amended or superseded from time to time. The “Ohio UCC” means the Uniform Commercial Code, as adopted in Ohio, as amended or superseded from time to time. All of the uncapitalized terms contained in this Agreement which are now or hereafter defined in the Ohio UCC will, unless the context expressly indicates otherwise, have the meanings provided for now or hereafter in the Ohio UCC, as such definitions may be enlarged or expanded from time to time by amendment or judicial decision. As used in this Agreement, “Secured Creditors” means, collectively, Agent, each Lender and the LC Issuer.

4. LICENSES:

(a) Except for licenses attendant to products and services provided by each Debtor in the ordinary course of business consistent with past custom and practice, each Debtor expressly represents, warrants, covenants and agrees that such Debtor shall not license, as licensor, any Trademarks (a “Trademark License”) without the prior written consent of Agent, which consent may be granted or withheld by Agent in its sole discretion unless (i) such Trademark License is reasonably necessary or appropriate in the ordinary course of each Debtor’s business and is non exclusive, and (ii) no Event of Default has occurred and is continuing.

(b) If an Event of Default has occurred and is continuing, Agent shall have the right, immediately or at any time thereafter, in its sole discretion, to deliver to each Debtor and to each licensee under a Trademark License that is terminable on notice by any Debtor, notice terminating the Trademark License.

5. REPRESENTATIONS AND WARRANTIES:

To induce the Secured Creditors to make Credit Extensions pursuant to the Loan Documents, each Debtor represents to the Secured Creditors that the following statements are, as of the Effective Date and as of the date that each representation and warranty set forth in the Credit Agreement is required to be, or is deemed to be, made or remade by each Debtor pursuant thereto, true:

(a) Each Debtor is, and as to any property which at any time forms a part of the Trademark Collateral with respect to such Debtor, shall be, the owner of each and every item of the Trademark Collateral, or otherwise has the right to grant a security interest in the Trademark Collateral, free from any Lien or license except (i) for the security interests hereby granted or as otherwise disclosed on Schedule I, (ii) to the extent, if any, of Permitted Liens, and (iii) to the extent of any license expressly permitted by this Agreement;

(b) Set forth in Schedule I is a complete and accurate list of all Trademarks and applications for Trademarks (or any Trademarks and applications for Trademarks registered in

any other country or any political subdivision of that country) and Trademark License Rights owned by each Debtor or in which any Debtor has any rights;

(c) Except as otherwise set forth on Schedule I, (i) each Trademark is subsisting and has not been adjudged invalid, unregistrable or unenforceable, in whole or in part, and to each Debtor's knowledge, each application for any Trademark is valid, registered or registrable and enforceable, and (ii) Trademark is subsisting and has not been adjudged invalid, unregistrable or unenforceable, in whole or in part, and to Debtor's knowledge, each application for any Trademark is valid, registered or registrable and enforceable. There have been no prior uses of any item of the Trademark Collateral, to each Debtor's knowledge, which would reasonably be expected to lead to such item becoming invalid or unenforceable, including known prior unauthorized uses by third parties and uses which were not supported by the goodwill of the business connected with such item;

(d) No Debtor has granted any license, release, covenant not to sue, or non-assertion assurance to any Person with respect to any of the Trademark Collateral except as disclosed on Schedule I or except as expressly permitted under Section 4(a);

(e) To each Debtor's knowledge, the Trademark License Rights are in full force and effect. No Debtor is in default under any of the Trademark License Rights and, to each Debtor's knowledge, no event has occurred which with notice, the passage of time, the satisfaction of any other condition, or all of them, could reasonably be expected to constitute a default by such Debtor under the Trademark License Rights; and

(f) Except for the filing of financing statements and the recording of this Agreement with the United States Patent and Trademark Office, no authorization, consent, approval or other action by, and no notice to or filing or recording with, any Governmental Authority is currently or is reasonably expected to be required either: (i) for the grant by each Debtor of the Liens granted hereby or for the execution, delivery or performance of this Agreement by each Debtor or (ii) for the perfection of or the exercise by Agent of the Secured Creditors' rights and remedies hereunder.

6. DEBTORS' RESPONSIBILITIES AND AGREEMENTS: Until the Payment in Full of the Obligations and this Agreement is terminated in accordance with Section 9(j):

(a) Debtors will furnish to Agent upon Agent's request a current list of all of the items of the Trademark Collateral for the purpose of identifying the Trademark Collateral, including any licensing of Trademark Collateral, and all other information in connection with the Trademark Collateral as Agent may reasonably request, all in reasonable detail, and further execute and deliver such supplemental instruments, in the form of assignments or otherwise, as Agent shall reasonably require for the purpose of confirming and perfecting Agent's security interest in any or all of the Trademark Collateral;

(b) Should any Debtor obtain an ownership interest in any Trademark License Rights or Trademarks and applications for Trademarks, which is not now identified in Schedule I, (i) such Debtor will give prompt written notice to Agent, (ii) the provisions of Section 2 shall

automatically apply to the Trademark License Rights and Trademarks (exclusive of any Intent to Use Applications) acquired or obtained, and (iii) each of such Trademark License Rights and Trademarks (exclusive of any Intent to Use Applications), together with the goodwill of the business connected with the use of the mark and symbolized by it, shall automatically become part of the Trademark Collateral under this Section 6(b). Debtors authorize Agent to modify this Agreement by amending Schedule I to include any Trademarks and Trademark License Rights which become part of the Trademark Collateral under this Section 6(b);

(c) To the extent that any Debtor determines in its reasonable discretion that it is in such Debtor's best interest to do so, such Debtor will take all necessary steps in any proceeding before the United States Patent and Trademark Office (or any similar office or agency in any other country or any political subdivision of that country) or in any court to maintain each Trademark and to pursue each item of Trademark Collateral, including the filing of applications for renewal, the payment of maintenance fees, and the participation in opposition, interference and infringement proceedings. To the extent necessary to the conduct of its business, each Debtor agrees to take corresponding steps with respect to each new or other registered Trademark and application for Trademark registration to which such Debtor is now or later becomes entitled. Any expenses incurred in connection with such activities shall be borne by Debtors;

(d) No Debtor will (i) sell, assign (by operation of law or otherwise), license or otherwise dispose of any of the Trademark Collateral except in a Permitted Transfer; or (ii) create or suffer to exist any Liens on, or with respect to, any of the Trademark Collateral other than Permitted Liens; or (iii) take any other action in connection with any of the items of Trademark Collateral that would reasonably be expected to have a Material Adverse Effect;

(e) Each Debtor will use, and will cause the use of, reasonable and proper statutory notice in connection with its use of each registered Trademark in its business; and

(f) Debtors will pay all reasonable and documented, out-of-pocket expenses and Attorneys' Fees incurred by Agent or the Secured Creditors in the exercise (including enforcement) of any rights or remedies under this Agreement or applicable law (*provided* that any Attorneys' Fees of Agent and the Secured Creditors shall be subject to the limitations contained in Section 14.6(iii)(a) of the Credit Agreement *mutatis mutandis*); and each Debtor agrees that said expenses and fees shall constitute part of the Obligations and be secured by the Trademark Collateral and the other Loan Collateral.

7. POWER OF ATTORNEY: Each Debtor hereby makes, constitutes and appoints Agent its true and lawful attorney in fact: (a) to execute and/or authenticate on its behalf and/or file financing statements reflecting its security interest in the Trademark Collateral and any other documents necessary or desirable to perfect or otherwise further the security interest granted herein, (b) to record the security interest in any and all Trademark Collateral in favor of Agent with the United States Patent and Trademark Office (and each other applicable Governmental Authority), and (c) upon the occurrence and during the continuance of an Event of Default: (i) to file any claims or take any action or institute any proceedings that Agent may deem necessary or desirable for the maintenance, protection, and collection of any of the Trademark Collateral, (ii)

to assign of record in the United States Patent and Trademark Office (and each other applicable Governmental Authority) any and all of the Trademark Collateral in Agent's name (or the name of any nominee), or (iii) otherwise to enforce the rights of the Secured Creditors with respect to any of the Trademark Collateral. It is understood and agreed that the foregoing powers of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until the termination of this Agreement in accordance with Section 9(j) of this Agreement.

8. DEFAULT:

(a) If an Event of Default occurs and is continuing, then, in any such event, Agent may, at Agent's option and without further notice to any Debtor except as expressly provided in the Credit Agreement or the other Loan Documents, resort to the rights and remedies available at law, in equity and under the Loan Documents, including the rights and remedies of a secured party under the Uniform Commercial Code (whether or not the Uniform Commercial Code applies to the affected Trademark Collateral) including (i) causing the assignment of record in the United States Patent and Trademark Office (or any other applicable Governmental Authority) of the Trademark Collateral in Agent's name or in the name of any nominee of Agent; (ii) requiring each Debtor to assemble all or any part of the documents embodying the Trademark Collateral as directed by Agent and make the documents available to Agent at a place to be designated by Agent; (iii) licensing the Trademark Collateral or any part thereof, or assigning its rights to the Trademark License Rights to any Person and exercising any and all rights and remedies of the Secured Creditors under or in connection with the Trademark Licenses or otherwise in respect of the Trademark Collateral; and (iv) selling the Trademark Collateral at public or private sale, and Debtors will, after the Payment in Full of the Obligations, be credited with the net proceeds of such sale, only when they are actually received by Agent, and any requirement of reasonable notice of any disposition of the Trademark Collateral will be satisfied if such notice is sent to any Debtor 10 days prior to such disposition. In the event of any sale, assignment, or other disposition of any of the Trademark Collateral following the occurrence and during the continuance of such Event of Default, (A) the goodwill of the business connected with and symbolized by any Trademark Collateral subject to such disposition shall be included, and (B) each Debtor will supply to Agent or its designee such Debtor's (I) proprietary information relating to the manufacture and sale of products or the provision of services relating to any Trademark Collateral subject to such disposition and (II) customer lists and other records relating to such Trademark Collateral and to the distribution of such products and services.

(b) No remedy set forth herein is exclusive of any other available remedy or remedies, but each is cumulative and in addition to every other remedy given under this Agreement, the other Loan Documents or now or hereafter existing at law or in equity or by statute. The Secured Creditors may proceed to protect and enforce their rights by an action at law, in equity or by any other appropriate proceedings. No failure on the part of the Secured Creditors to enforce any of the rights hereunder shall be deemed a waiver of such rights or of any Event of Default and no waiver of any Event of Default will be deemed to be a waiver of any subsequent Event of Default.

(c) Each Debtor acknowledges and agrees that Agent shall have no obligation to, and each Debtor hereby waives to the fullest extent permitted by law any right that it may have to

require Agent to: (i) prepare any of the Trademark Collateral for sale, (ii) pursue any Person to collect any of the Obligations or (iii) exercise collection remedies against any Persons obligated on the Trademark Collateral. Agent's compliance with any applicable local, state or federal law requirements, in addition to those imposed by the Uniform Commercial Code in connection with a disposition of any or all of the Trademark Collateral will not be considered to adversely affect the commercial reasonableness of any disposition of any or all of the Trademark Collateral under the Uniform Commercial Code.

9. GENERAL PROVISIONS:

(a) All rights of the Secured Creditors shall inure to the benefit of their successors, assigns and affiliates and all obligations of each Debtor shall bind the successors and assigns of each Debtor.

(b) This Agreement and the other Loan Documents contain the entire agreement of the parties with respect to the subject matter of this Agreement and supersede all previous understandings and agreements relating to the subject matter hereof, and no oral agreement whatsoever, whether made contemporaneously herewith or hereafter shall amend, modify or otherwise affect the terms of this Agreement. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Agreement may be signed by facsimile signatures or other electronic delivery of an image file reflecting the execution hereof, and, if so signed: (i) may be relied on by each party as if the document were a manually signed original and (ii) will be binding on each party for all purposes.

(c) All rights and liabilities hereunder shall be governed by and construed in accordance with the laws of the State of Ohio without regard to conflicts of law principles.

(d) If any provision of this Agreement is found invalid by a court of competent jurisdiction, the invalid term will be considered excluded from this Agreement and will not invalidate the remaining provisions of this Agreement.

(e) Each Debtor hereby irrevocably authorizes Agent to file with the United States Patent and Trademark Office a copy of this Agreement and any amendments thereto or any document which may be required by the United States Patent and Trademark Office. Each Debtor also hereby irrevocably authorizes Agent at any time and from time to time to file in any filing office in any jurisdiction any initial financing statements and amendments thereto that: (i) describe the Trademark Collateral and (ii) provide any other information required by Part 5 of Article 9 of the Uniform Commercial Code for the sufficiency or filing office acceptance of any financing statement or amendment, including whether such Debtor is an organization, the type of organization and any organizational identification number issued to such Debtor. Each Debtor hereby irrevocably authorizes Agent at any time and from time to time to correct or complete, or to cause to be corrected or completed, any financing statements, continuation statements or other such documents as have been filed naming such Debtor as debtor and Agent as secured party. Agent is hereby authorized to give notice to any licensor or licensee of any Trademark Collateral or

any other Person as may be necessary or desirable under applicable laws to evidence, protect, perfect, or enforce the security interest granted to Agent in the Trademark Collateral.

(f) The definition of any document, instrument or agreement includes all schedules, attachments and exhibits thereto and all renewals, extensions, supplements, restatements and amendments thereof. All schedules, exhibits or other attachments to this Agreement are incorporated into, and are made and form an integral part of, this Agreement for all purposes. As used in this Agreement, "hereunder," "herein," "hereto," "this Agreement" and words of similar import refer to this entire document; "including" is used by way of illustration and not by way of limitation, unless the context clearly indicates the contrary; the singular includes the plural and conversely; and any action required to be taken by any Debtor is to be taken promptly, unless the context clearly indicates the contrary. The description of the Trademark Collateral in this Agreement does not in any way limit the description of, or Agent's Lien on, the "Collateral" as defined in the Security Agreement or the Secured Creditors' rights or remedies respecting the "Collateral." Without limiting the generality of the foregoing, this Agreement is not in any way intended, nor may it be construed, to replace, impair or extinguish the creation, attachment, perfection or priority of the security interests and other Liens granted to, or held by, Agent under the Security Agreement or any other Loan Documents, which security interests and other Liens, each Debtor, by this Agreement, acknowledges, reaffirms and confirms to Agent.

(g) AGENT, EACH SECURED CREDITOR AND EACH DEBTOR HEREBY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY MATTERS ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(h) The remedies provided in this Agreement and the other Loan Documents are cumulative and not exclusive of any remedies provided by law. Exercise of one or more remedy(ies) by the Secured Creditors does not require that all or any other remedy(ies) be exercised and does not preclude later exercise of the same remedy. If there is any conflict, ambiguity, or inconsistency, in Agent's judgment, between the terms of this Agreement and any of the other Loan Documents, then the applicable terms and provisions, in Agent's judgment, providing the Secured Creditors with the greater rights, remedies, powers, privileges, or benefits will control.

(i) Each Debtor recognizes that, in the event that such Debtor fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, any remedy at law may prove to be inadequate relief to the Secured Creditors; therefore, each Debtor agrees that the Secured Creditors, if the Secured Creditors so request, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

(j) This Agreement will terminate upon the Payment in Full of the Obligations. Upon such termination, Agent will, upon Debtor's request and at each Debtor's expense, execute and deliver to such Debtor a release of its Liens on the Trademark Collateral granted pursuant to this Agreement or similar instrument of re-conveyance prepared by Agent and deliver UCC termination statements with respect to its Liens on the Trademark Collateral granted pursuant to this Agreement.

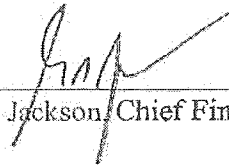

(k) As between the Lenders, the LC Issuer and Agent, (i) Agent will hold all items of the Trademark Collateral at any time received under this Agreement in accordance with the terms of this Agreement, the Credit Agreement and the other Loan Documents and (ii) by accepting the benefits of this Agreement, each Lender and the LC Issuer acknowledges and agrees that (A) the obligations of Agent as holder of the Trademark Collateral and any interests therein and with respect to any disposition of any of the Trademark Collateral or any interests therein are only those obligations expressly set forth in this Agreement, the Credit Agreement and the other Loan Documents and (B) this Agreement may be enforced only by the action of Agent and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement, it being understood and agreed that such rights and remedies may be exercised by Agent, for the benefit of the Secured Creditors, upon the terms of this Agreement, the Credit Agreement and the other Loan Documents. As between each Debtor and Agent, Agent shall be conclusively presumed to be acting as agent for the Secured Creditors with full and valid authority to so act or refrain from acting.

(l) Notwithstanding anything herein to the contrary, the Liens granted to Agent pursuant to this Agreement and the exercise of the rights and remedies of Agent hereunder and under any other Security Document, are subject to the provisions of the Mezzanine Debt Subordination Agreement.
