TRADEMARK SECURITY AGREEMENT dated as of October 27, 2014 (this "Agreement"), among PLX Technology, Inc. (the "Grantor") and Deutsche Bank AG New York Branch, as Collateral Agent (in such capacity, the "Collateral Agent").

Reference is made to (a) the Credit Agreement dated as of May 6, 2014 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Avago Technologies Finance Pte. Ltd., a company incorporated under the Singapore Companies Act ("Holdings"), Avago Technologies Cayman Ltd., an exempted company incorporated with limited liability in the Cayman Islands (the "Borrower"), Avago Technologies Holdings Luxembourg S.à r.l., a private limited liability company incorporated under the laws of Luxembourg, having its registered office at 2-8, avenue Charles de Gaulle, L-1653 Luxembourg, in the process of being registered with the Trade and Companies Register and with a share capital of \$20,000 (the "Luxco Borrower"), the Lenders party thereto and Deutsche Bank AG New York Branch, as Collateral Agent and (b) the Collateral Agreement dated as of May 6, 2014 (as amended, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the grantors from time to time party thereto and the Collateral Agent. The Lenders have agreed to extend credit to the Borrower Parties subject to the terms and conditions set forth in the Credit Agreement. The Grantor is an Affiliate of the Borrower Parties and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and as consideration for Loans previously made. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of such Grantor's right, title and interest in, to and under any Trademarks now owned or at any time hereafter acquired by such Grantor, including those listed on Schedule I (the "Trademark Collateral"); provided that notwithstanding anything to the contrary contained in the foregoing clause, the security interest created hereby shall not extend to, and the term "Trademark Collateral" shall not include, any Excluded Assets.

SECTION 3. Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement; by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
