CH \$65.00 3438433

TRADEMARK SECURITY AGREEMENT dated as of October 27, 2014 (this “Agreement”), among Bridge-Gate Alliance Group, Inc. (the “Grantor”) and General Electric Capital Corporation, as collateral agent (in such capacity, the “Collateral Agent”).

Reference is made to (a) to the First Lien Credit Agreement dated as of June 7, 2013 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among WNA Parent Corp., a Delaware corporation (“Holdings”), WNA Holdings, Inc., a Delaware corporation (the “U.S. Borrower”), Polarpak Inc., a corporation organized and existing under the laws of the Province of Ontario, Canada (the “Canadian Borrower”), Par-Pak Europe Limited, a company organized under the laws of England and Wales (the “U.K. Borrower” and, together with the U.S. Borrower and the Canadian Borrower, the “Borrowers”) the Lenders party thereto, General Electric Capital Corporation, as U.S. Administrative Agent, U.K. Administrative Agent and Collateral Agent and GE Canada Finance Holding Company, as Canadian Administrative Agent and (b) the First Lien U.S. Collateral Agreement dated of even date with the Credit Agreement (as amended, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among Holdings, the Borrowers, the other grantors from time to time party thereto and the Collateral Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement. The Grantor is an Affiliate of the Borrowers and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and the Issuing Banks to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in all of such Grantor’s right, title and interest in, to and under the United States trademarks and trademark applications listed on Schedule I attached hereto (the “Trademark Collateral”). This Agreement is not to be construed as an assignment of any trademark or trademark application and shall not be deemed to grant a security interest in any intent-to-use trademark applications filed in the United States Patent and Trademark Office, pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the accepted filing of a “Statement of Use” and issuance of a “Certificate of Registration” pursuant to Section 1(d) of the Lanham Act or an accepted filing of an “Amendment to Allege Use” whereby such intent-to-use trademark application is converted to a “use in commerce” application pursuant to Section 1(c) of the Lanham Act.

SECTION 3. Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and

provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Termination. Upon Payment in Full, the security interest granted herein shall terminate and the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

*[Remainder of Page Intentionally Left Blank]*

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

**BRIDGE-GATE ALLIANCE GROUP,  
INC., as Grantor**

By:   
Name: Peter Tedesco  
Title: Vice President
