TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (the "Agreement") is entered into as of August 1, 2014 by and between Goutam Mitra, an individual (herein "Assignor") on the one hand, and Playlogic, Inc., a Delaware corporation and the successor to Assignor's business (hereinafter "Assignee").

1. Assignor is an owner of the trademark PLAYPAD (Serial Number 85229511) filed with the United States Patent and Trademark Office (hereinafter the "Trademark");

2. In consideration for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

a. Pursuant to 15 USC §1060, Assignor hereby grants, transfers and assigns unto Assignee and its transferees, successors and assigns:

i. All of Assignor's right, title and interest, including without limitation all registration rights with respect to the Trademark, all rights to prepare derivative marks, all goodwill, and all other rights, in and to the Trademark, the same to be held and enjoyed by Assignee as fully and entirely as they would have been held by Assignor had the assignment not been made. Additionally all rights assigned hereunder shall include without limitation the trademark registration or application as set forth herein above, and filed in the United States, its territorial possessions, and in all foreign countries, whether or not the same have been registered prior to, on or after the date of this Agreement, and any and all renewals and extensions thereof (or any legal equivalent thereof in a foreign country) for the full term or terms for which the same may be granted.

ii. Any and all claims, demands and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any infringement of the Trademark(s) prior to, on or after the date of this Agreement, together with the right to prosecute such claims, demands and rights of action in Assignee's own name; and

iii. The right to recover for past, present or future infringements of the Trademark(s) or unauthorized use.

b. Assignor agrees that Assignor shall do, execute, acknowledge and deliver, at Assignee's expense, all acts, agreements, further assignments, instruments, notices and assurances as may be necessary or reasonably requested by Assignee to further effect and evidence the transactions contemplated hereby.

c. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective transferees, successors and assigns.

IN WITNESS WHEREOF, Assignor has caused this Agreement to be executed as of the date first written above.

Goutam Mitra
