AMENDMENT TO
TECHNOLOGY & TRADEMARKS PURCHASE AGREEMENT

This *Amendment to Master License Agreement* (the "Amendment") is made by and between Rhodia Inc., a corporation organized and existing under the laws of Delaware, U.S.A., and having its principle office located at 8 Cedar Brook Drive, Cranbury, NJ, 08512, and Rhodia Operations, a société par actions simplifiée incorporated and operating under the laws of France with its principal office located at 40 Rue de la Haie Coq 93308 Aubervilliers, France (the "Parties").

Effective January 1, 2006, Rhodia Inc. and Rhodia Recherches et Technologies entered into a *Technology and Trademarks Purchase Agreement* (the "Purchase Agreement") and a *Master License Agreement* (the "License Agreement"). Effective July 1, 2007, Rhodia Recherches et Technologies was merged into Rhodia Operations and Rhodia Operations is thus successor in interest to Rhodia Recherches et Technologies with respect to the Purchase Agreement and the License Agreement.

The first paragraph of the Purchase Agreement erroneously indicates, in the definition of the term "SELLER", that Rhodia Inc. is a corporation duly organized and existing under the laws of the State of New Jersey, U.S.A. The Parties now wish to correct that error by correctly indicating that Rhodia Inc. is a corporation duly organized and existing under the laws of the State of Delaware, U.S.A.

Rhodia Inc. agreed, under Paragraph 2.1 of the Purchase Agreement, to assign its rights in certain SELLER Technology to Rhodia Recherches et Technologies in exchange for consideration to be paid in accordance with Article 5 of the Purchase Agreement. The Parties now wish to clarify the definition of "SELLER Technology" to reflect that Rhodia Inc. technology arising after the Effective Date of the Purchase Agreement is included in the Purchase Agreement only to the extent listed in Annex 1 or Annex 2 to the Purchase Agreement. The Parties have, in an *Amendment to Master License Agreement* signed on the same day herewith, amended the License Agreement to address the assignment of rights in Rhodia Inc. intellectual property, other than that listed in Annex 1 or Annex 2 of the Purchase Agreement, arising after the Effective Date of the Purchase Agreement.

Accordingly, the Parties now wish to, effective as of the Effective date of the License Agreement, amend the Purchase Agreement as follows, with all other terms of the Purchase Agreement to remain unchanged.

A. Amend the definition of the term "SELLER" in the first paragraph of the Purchase Agreement to read as follows:

Rhodia Inc., a corporation duly organized and existing under the laws of the State of Delaware, U.S.A., and having its principle office located at 8 Cedar Brook Drive, Cranbury, NJ 08512-7500 (hereinafter the "SELLER").

B. Amend Paragraph 1.8 of the Agreement to read as follows:

1.8 "SELLER Technology" shall mean and include any and all existing SELLER IP as well as R&D results, knowledge, including trade secret knowledge, documentation relating to processes, services, technical information, and any other information in any format which is useful or necessary for the development, and/or manufacture, and/or marketing of the SELLER's Products, including know-how which was developed based on RR&T's know-how and other technical information, in whatever form, tangible or intangible, (i) in existence as of the Effective Date, or (ii) arising after the Effective Date and listed in Annex 1 or Annex 2 of this Agreement.

C. Revise Paragraph 2.1 of the Purchase Agreement to add the following sentence:

SELLER reserves the right to transfer rights in certain SELLER Technology to:

Le Centre National de la Recherche Scientifique, a public institution for science and technology organized and existing under the laws of the Republic of France ("CNRS") with offices located at 3, rue Michel Ange 75794 Paris, Cedex 16, France, or

Schlumberger Technology Corporation, having a principal place of business at 110 Schlumberger Drive, Sugar Land, TX 77478, and its affiliates ("SLB"),

to the extent required to satisfy SELLER'S pre-existing obligations to CNRS and to SLB, respectively.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date indicated below, in two (2) originals.
