WHEREAS, in order to induce Bank to enter into the Demand Note and the other Financing Agreements and to purchase accounts and make loans and advances and provide other financial accommodations to Borrower pursuant thereto, Borrower has agreed to grant to Bank certain collateral security as set forth herein;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby agrees as follows:

1. DEFINED TERMS

All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Demand Note.

2. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Borrower hereby grants to Bank, for itself and its affiliates, a collateral security interest in and a general lien upon, and a conditional assignment of, all of Borrower's right, title and interest in and to the following, whether now owned or hereafter acquired or arising and wherever located (collectively, the "Collateral"): (a) any and all trademarks, trade names, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including (i) the trade names, registered trademarks, trademark applications, registered service marks and service mark applications listed on Exhibit A and any other trade names, registered trademarks, trademark applications, registered service marks and service mark applications, (ii) all

renewals thereof, (iii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (iv) the right to sue for past, present and future infringements and dilutions thereof, (v) the goodwill of Borrower's business symbolized by the foregoing or connected therewith, and (vi) all of Borrower's rights corresponding thereto throughout the world (collectively, as to the trademarks listed on Exhibit A, the "Material Trademarks" and collectively as to Material Trademarks and all other trademarks, the "Trademarks"); (b) all Trademark Licenses (as hereinafter defined); (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and (c) all products and proceeds (as that term is defined in the UCC) of the foregoing, including any claim by Borrower against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Trademark License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark License. Notwithstanding anything contained in this Agreement to the contrary, the term "Collateral" shall not include any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the United States Patent and Trademark Office (the "USPTO") of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Collateral. For the purposes of this Agreement, "Trademark License" means (a) any licenses or other similar rights provided to Borrower in or with respect to any Trademark owned or controlled by any other Person, and (b) any licenses or other similar rights provided to any other Person in or with respect to any Trademark owned or controlled by Borrower, in each case, including (i) the license agreements listed on Exhibit B, and (ii) the right to use any of the licenses or other similar rights described in this definition in connection with the enforcement of the Bank's rights under the Financing Agreements.

3. OBLIGATIONS SECURED

The security interest, lien and other interests granted to Bank pursuant to this Agreement shall secure the prompt performance, observance and payment in full of all amounts of any nature whatsoever, direct or indirect, absolute or contingent, due or to become due, arising or incurred heretofore or hereafter, arising under this Agreement or any other Financing Agreement or by operation of law, now or hereafter owing by Borrower to Bank or to any affiliate of Bank. Said amounts include, but are not limited to loans, debts and liabilities heretofore or hereafter acquired by purchase or assignment from other present or future Borrowers of Bank, or through participation. Without limiting the foregoing, such amounts shall include all advances, loans, interest, commissions, customer late payment charges, cost, fees, expenses, taxes and all receivables charged or chargeable to Borrower's account under the Demand Note, whether arising under this Agreement, the other Financing Agreements or by operation of law and whether incurred by Borrower as principal, surety, endorser, guarantor or otherwise (all hereinafter referred to as "Obligations").

4. REPRESENTATIONS, WARRANTIES AND COVENANTS

Borrower hereby represents, warrants and covenants with and to Bank the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding) the truth and accuracy of which, or compliance therewith, being a continuing condition of the making of loans and advances and other financial accommodations by Bank to Borrower under the Financing Agreements:

- (a) Borrower shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Collateral relating to the Material Trademarks is valid and subsisting in full force and effect, and Borrower owns the sole, full and clear title thereto, and the right and power to grant the security interest and conditional assignment granted hereunder in the Material Trademarks (such Collateral excluding all Trademarks other than the Material Trademarks being the "Material Collateral"). Borrower shall, at Borrower's sole expense, perform all acts and execute all documents necessary or, in Bank's reasonable business judgment advisable to maintain the existence of the Material Trademarks as registered trademarks, including the filing of any renewal affidavits and applications. The Material Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted hereunder; (ii) the licenses permitted under Section 3(e) below and (iii) the Permitted Encumbrances.

(c) Borrower shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Material Collateral, or otherwise dispose of any of the Material Collateral, in each case without the prior written consent of Bank, except as otherwise permitted herein; and provided that nothing herein shall prevent Borrower from entering into, renewing, extending, terminating or amending or failing to renew, extend, terminate, amend or extend, or otherwise managing any License in the ordinary course of business, provided, further, that Borrower shall provide Bank with notice of any material modifications to any such Licenses, it being acknowledged and agreed that the termination of a License shall be deemed to be a material modification. Nothing in this Agreement shall be deemed a consent by Bank to any such action, except as such action is expressly permitted hereunder.

(d) Borrower shall, at Borrower's sole expense, promptly perform all acts and execute all documents reasonably requested at any time by Bank to evidence, perfect, maintain, record or enforce the security interest in and conditional assignment of the Material Collateral granted hereunder or to otherwise further the provisions of this Agreement. Borrower hereby authorizes Bank to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Bank or as otherwise determined by Bank. Borrower further authorizes Bank to have this Agreement or any other security agreement similar in all material respects filed with the USPTO or any other appropriate federal, state or local government office.

(e) As of the date hereof, Borrower is not a party to any licenses with respect to any Trademark other than as set forth in Exhibit B hereto.

(f) Borrower shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Bank two (2) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Bank's exercise of the rights and remedies granted to Bank hereunder.

(g) Bank may, in its reasonable business discretion, pay any amount or do any act which Borrower fails to pay or do as required hereunder or as reasonably requested by Bank to preserve, defend, protect, maintain, record or enforce the Obligations, the Material Collateral or the security interest and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, attorneys' fees and legal expenses; provided that nothing herein shall prevent Borrower from entering into, renewing, extending, terminating or amending or failing to renew, extend, terminate, amend or extend, or otherwise managing any License in the ordinary course of business, provided, further, that Borrower shall provide Bank with notice of any material modifications to any such Licenses, it being acknowledged and agreed that the termination of a License shall be deemed to be a material modification. Borrower shall be liable to Bank for any such payment, which payment shall be deemed an advance by Bank to Borrower, shall be payable on demand together with interest at

the highest rate then applicable to the indebtedness of Borrower to Bank set forth in the Demand Note and shall be part of the Obligations secured hereby.

(h) Borrower shall not file any application for the registration of a Trademark material to the operation of Borrower's business with the USPTO or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, unless Borrower has given Bank five (5) days' prior written notice of such action. If, after the date hereof, Borrower shall (i) obtain any registered Trademark, or apply for any such registration in the USPTO or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country or (ii) become an owner of any trademark registrations or applications for trademark registration used in the United States, any State thereof, any political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Bank, Borrower shall promptly execute and deliver to Bank any and all assignments, agreements, instruments, documents and such other papers as may be requested by Bank to evidence the security interests in and conditional assignment of such Trademark in favor of Bank.

(i) Borrower has not abandoned any of the Material Trademarks and Borrower shall not do any act, nor omit to do any act, whereby the Material Trademarks may become invalidated, unenforceable, avoided or avoidable. Borrower shall notify Bank immediately if it knows or has reason to know of any reason why any application, registration or recording with respect to the Material Trademarks may become canceled, invalidated, avoided or avoidable, or why any application may not be granted.

(j) Borrower shall render any assistance, as Bank shall determine after conferring in good faith with Borrower and/or its intellectual property counsel, is necessary or advisable, to Bank in any proceeding before the USPTO, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Material Trademarks as Borrower's exclusive property and to protect Bank's interest therein, including the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) To the Borrower's knowledge (which, for the purposes of clarity, shall include Borrower's actual knowledge and knowledge that Borrower would have obtained if the officers of Borrower engaged in good faith and diligent performance of their duties, including reasonably specific inquiries of employees or agents and a good faith attempt to ascertain the matter), as of the date hereof no infringement or unauthorized use presently is being made of any of the Material Trademarks that would adversely affect in any material respect the fair market value of the Material Collateral or the benefits of this Agreement granted to Bank, including the validity, priority or perfection of the security interest granted herein or the remedies of Bank hereunder. As of the date hereof there is no judgment holding any Material Trademark invalid or unenforceable, in whole or part, nor is the validity or enforceability of any Material Trademark being questioned in any litigation or proceeding. Borrower shall promptly notify Bank if Borrower (or any affiliate thereof) learns of any act by any Person which infringes, or which may be reasonably likely to infringe, upon any Material Trademark in a manner that it has or is reasonably likely to have a material adverse effect on Borrower or any Material Trademark. If requested by Bank, Borrower, at Borrower's sole expense, shall join with Bank in such action as Bank, in Bank's sole and absolute discretion, determines after conferring in good faith with Borrower and/or its intellectual property counsel, is advisable for the protection of Bank's interest in and to any or all of the Material Trademarks.

(l) Borrower assumes all responsibility and liability arising from the use of the Trademarks by Borrower and Borrower hereby indemnifies and holds Bank harmless from and against

any claim, suit, loss, damage, or expense (including reasonable attorneys' fees and legal expenses) arising out of any alleged defect in any service or product manufactured, promoted, or sold by Borrower (or any affiliate thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale, distribution or advertisement of any such product or service by Borrower (or any affiliate thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Demand Note.

(m) Borrower shall promptly pay Bank for any and all expenditures made by Bank pursuant to the provisions of this Agreement or for the defense, protection, or enforcement of the Obligations, the Collateral, or the security interests and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the highest rate then applicable to the indebtedness of Borrower to Bank set forth in the Demand Note and shall be part of the Obligations secured hereby.

5. RIGHTS AND REMEDIES

In the event that Borrower defaults in the payment or performance of any of the Obligations or the occurrence of any other default under the Demand Note or any other Financing Agreement (an "Event of Default"), and at any time thereafter, in addition to all other rights and remedies of Bank, whether provided under this Agreement, the Demand Note, the other Financing Agreements, applicable law or otherwise, Bank shall have the following rights and remedies which may be exercised without notice to, or consent by, Borrower except as such notice or consent is expressly provided for hereunder:

(a) Bank may require that neither Borrower nor any affiliate of Borrower make any use of the Trademarks for any purpose whatsoever. Bank may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services in connection with enforcing any other security interest granted to Bank by Borrower or any affiliate of Borrower or for such other reason as Bank may determine.

(b) Bank may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Bank shall in its sole and absolute discretion deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Bank may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Borrower of intended disposition of Collateral is required by law, the giving of five (5) days prior written notice to Borrower of any proposed disposition shall be deemed reasonable notice thereof and Borrower waives any other notice with respect thereto. Bank shall have the power to buy the Collateral or any part thereof, and Bank shall also have the power to execute assurances and perform all other acts which Bank may, in its sole and absolute discretion, deem appropriate or proper to complete such assignment, sale or disposition.

(d) In addition to the foregoing, in order to implement the assignment, sale or other disposition of any of the Collateral pursuant to the terms hereof, Bank may at any time execute and deliver on behalf of Borrower, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Borrower agrees to pay Bank on demand all costs incurred in any such transfer of the Collateral, including, but not

limited to, any taxes, fees, and attorneys' fees and legal expenses. Borrower agrees that Bank has no obligation to preserve rights to the Trademarks against any other parties.

(e) Bank may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including attorneys' fees and all legal, travel and other expenses which may be incurred by Bank. Thereafter, Bank may apply any remaining proceeds to such of the Obligations as Bank may in its sole and absolute discretion determine. In the event the proceeds of Collateral are insufficient to satisfy all of the Obligations in full, Borrower shall remain liable for any such deficiency and shall pay Bank on demand any such unpaid amount, together with interest at the highest rate then applicable to the indebtedness of Borrower to Bank set forth in the Demand Note.

(f) Nothing contained herein shall be construed as requiring Bank to take any such action at any time. All of Bank's rights and remedies, whether provided under this Agreement, the Demand Note, the other Financing Agreements, applicable law or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW

(a) This Agreement is made and is to be performed under the laws of the State of New York and shall be governed by and construed and enforced in accordance with said law, excluding any principles of any conflicts of laws or other rule of law that would result in the application of the law of any jurisdiction other than the laws of the State of New York. Borrower and Bank expressly submit and consent to the jurisdiction of the state and federal courts located in the County of New York, State of New York with respect to any controversy arising out of or relating to this Agreement or any alteration, amendment, change, extension, modification, renewal, replacement, substitution, joinder or supplement thereto or to any transactions in connection herewith. Nothing herein shall limit the right of Bank to bring proceedings against Borrower in any other court. (b) BANK AND BORROWER DO HEREBY WAIVE ANY AND ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING OF ANY KIND ARISING ON, OUT OF, BY REASON OF, OR RELATING IN WAY TO, THIS AGREEMENT OR THE INTERPRETATION OR ENFORCEMENT THEREOF OR TO ANY TRANSACTIONS HEREUNDER.

(c) Borrower waives presentment and protest of any instruments and all notices thereof, notice of default and all other notices to which it might otherwise be entitled.

(d) Bank shall not have any liability to Borrower (whether in tort, contract, equity or otherwise) for losses suffered by Borrower in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Agreement, or any act, omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment or court order binding on Bank that the losses were the result of Bank's acts or omissions constituting gross negligence or willful misconduct.
