Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Loan Agreement.

### RECITALS

A. Pursuant to the Loan Agreement, Bank agreed to extend credit to Grantor in the amounts and manner set forth in the Loan Agreement. Bank is willing to extend such credit only upon the condition, among others, that Grantor grant to Bank a security interest in certain Copyrights, Trademarks and Patents to secure the Secured Obligations (as defined in the Guarantee and Collateral Agreement (as defined below)).

B. Pursuant to the terms of that certain Guarantee and Collateral Agreement among Borrower, Holdings, Bank and the other parties from time to time made party thereto as Guarantors, dated as of October 31, 2014 (the “*Guarantee and Collateral Agreement*”), Grantor has granted to Bank a security interest in all of Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Pledged Collateral (as defined in the Guarantee and Collateral Agreement).

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of the Secured Obligations, Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

To secure its obligations under the Loan Agreement and the other Loan Documents, Grantor hereby grants and pledges to Bank a security interest in all of Grantor’s right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Bank under the Guarantee and Collateral Agreement. The rights and remedies of Bank with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement, the Guarantee and Collateral Agreement and the other Loan Documents, and those which are now or hereafter available to Bank as a matter of law or equity. Each right, power and remedy of Bank
