## ASSIGNMENT OF INTELLECTUAL PROPERTY

This Intellectual Property Assignment ("Assignment") is made by and between Clockwork IP, LLC, a Delaware limited liability company, Airtime LLC, a Missouri limited liability company (collectively, "Assignors"), and Aquila Investment Group, LLC, an Illinois limited liability company ("Assignee"). This Assignment shall be effective as of the last date written below ("Effective Date").

### RECITALS

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors do hereby irrevocably sell, assign, transfer, and deliver ("Transfer") unto Assignee, its successors, assigns, and legal representatives the full and exclusive right, title, interest, and goodwill to the intellectual property contained within Appendix A and all legal rights associated therewith, anywhere in the world including, without limitation, all translations, adaptations, derivations, and combinations thereof, the right to file for subsequent registrations, record assignments, prosecute applications, create derivative works, and seek any applicable damages or make any applicable claims relating to the past, present, or future infringement thereof or unfair competition involving the same. At the time of Transfer, Assignors shall deliver to Assignee this executed Assignment. This Assignment shall serve as an automatic assignment to Assignee of all intellectual property specified in Appendix A.

Assignors, their successors, assigns, or other legal representatives agree to execute any and all papers including applications for trademark registrations of any and all kind and in any and all countries and to perform any and all acts which Assignee, its successors, assigns, or other legal representatives may deem necessary and reasonably requested to secure thereto the rights herein assigned, sold, and set over.

The Parties hereby request the United States Patent and Trademark Office and all non-U.S. patent and trademark issuing authorities to issue all registered trademarks, trade names, service marks, logos, design marks, and trade dress identified in Appendix A to Assignee.

(Signatures On the Following Page)

The Parties have read, understand, and agree to the terms of this Assignment, and the undersigned represent that they are duly authorized to sign this Assignment on behalf of each respective party.
