GRANT OF SECURITY INTEREST  
IN UNITED STATES TRADEMARKS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, Morgan Adhesives Company, LLC, formerly known as Morgan Adhesives Company, a Delaware limited liability company (the "Grantor") with principal offices at 4560 Darrow Rd, Stow, OH 44224, hereby pledges and grants (this "Grant") to Bank of America, N.A., as Collateral Agent, with principal offices at 135 S La Salle Street, Chicago, IL 60603, (the "Grantee"), for the benefit of the Secured Creditors (as such term is defined in the Security Agreement referred to below), a continuing security interest in all of the right, title and interest of such Grantor in, to and under (i) the United States trademarks, trademark registrations and trademark applications (the "Marks") set forth on Schedule A attached hereto, (ii) all Proceeds (as such term is defined in the Security Agreement referred to below) and products of the Marks, (iii) the goodwill of the businesses with which the Marks are associated and (iv) all causes of action arising prior to or after the date hereof (but prior to the Termination Date) for infringement of any of the Marks or unfair competition regarding the same (collectively, the "Mark Collateral"). Notwithstanding the foregoing in no event shall Mark Collateral include any "intent to use" Mark application for which a statement of use has not been filed (but only until such statement is filed and accepted by the United States Patent and Trademark Office whereupon such applications shall be automatically subject to the lien granted herein and deemed included in the Mark Collateral).

THIS GRANT is made to secure the prompt and complete payment and performance when due of all the Obligations of the Grantor, as such term is defined in the Security Agreement among the Grantor, the other Grantors from time to time party thereto and the Grantee, dated as of November 7, 2014 (as amended, modified, restated and/or supplemented from time to time, the "Security Agreement"). Upon the occurrence of the Termination Date (as defined in the Security Agreement), the Grantee shall execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Mark Collateral acquired under this Grant.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

This Grant is subject to the terms and conditions set forth in the Intercreditor Agreements (as defined in the Security Agreement) in all respects and, in the event of any conflict between the terms of the Intercreditor Agreements and this Grant, the terms of Intercreditor Agreements shall govern.

**[Remainder of this page intentionally left blank; signature page follows]**

IN WITNESS WHEREOF, the undersigned have executed this Grant as of the 7th  
day of November, 2014.
