TRADEMARK

RELEASE OF SECURITY INTEREST IN TRADEMARKS

THIS RELEASE OF SECURITY INTEREST IN TRADEMARKS (this "Release") is made as of November 5, 2014 in favor of Conductix, Inc. ("Grantor") by Deutsche Bank AG, London Branch, as security agent for the Secured Parties (as defined in the Intercreditor Agreement defined below) (in such capacity, "Security Agent").

WHEREAS, Delachaux S.A., the original borrowers and the original guarantors party thereto, Security Agent, the financial institutions party thereto as original lenders and certain other parties as named therein entered into that certain Senior Facilities Agreement, dated as of September 16, 2011 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Senior Facilities Agreement");

WHEREAS, in connection with the Senior Facilities Agreement, Delachaux S.A., Security Agent, AET Structured Finance Services Pty Ltd, as Australian co-security agent, and certain other parties as named therein entered into that certain Intercreditor Agreement dated September 16, 2011 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement");

WHEREAS, pursuant to that certain Security Agreement dated as of November 11, 2011 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") and entered into in connection with the Senior Facilities Agreement, among Grantor, the other grantors named therein and Security Agent, Grantor created in favor of Security Agent a security interest in, and Security Agent became a secured creditor with respect to, the Trademark Collateral (as defined below);

WHEREAS, pursuant to the Security Agreement, Grantor and Security Agent entered into that certain Trademark Security Agreement dated as of November 11, 2011 (the "Trademark Security Agreement"), whereby Grantor pledged, assigned and granted to Security Agent a security interest in all of Grantor's right, title and interest in, to and under all of the following, in each case, whether then owned by or owed to, or thereafter acquired by or arising in favor of Grantor (including under any trade name or derivations thereof) (the "Trademark Collateral");

- (i) all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof, including those listed on Schedule A hereto, and the goodwill of the business symbolized by the foregoing;
- (ii) all reissues, divisions, continuations, renewals, extensions, reexaminations, and continuations-in-part thereof;

- (iii) all income, royalties, damages, claims, and payments now or hereafter due or payable under or with respect thereto, including, without limitation, damages, claims and payments for past and future infringements, dilutions or other violations of the foregoing, including the right to settle suits involving claims and demands for royalties owing;
- (iv) all rights to sue for past, present, and future infringements, dilutions or other violations of the foregoing; and
- (v) all rights corresponding to any of the foregoing throughout the world, but excluding any property, right or interest in which a security interest may not be granted under applicable law or under enforceable contractual restrictions binding on Grantor (or, in the case of the items described in the foregoing clauses (i) to (v), would constitute or result in the abandonment of, invalidation of or rendering unenforceable any of Grantor's right, title or interest therein).

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office on November 14, 2011 at Reel 4660, Frame 0477; and

WHEREAS, the Security Period has ended (as defined in the Security Agreement) and Security Agent has agreed to release its security interest in the Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Security Agent hereby, on behalf of itself and the Secured Parties (as defined in the Intercreditor Agreement) (i) terminates the Trademark Security Agreement, (ii) terminates, cancels and releases any and all liens and security interests it has in, to and under the Trademark Collateral, (iii) re-assigns to Grantor any right, title and interest they may have in, to and under the Trademark Collateral and (iv) authorizes and requests the United States Patent and Trademark Office, and any other location where the security interest was filed, to note and record the existence of such release hereby given.

Security Agent shall, at Grantor's expense, take all further actions, and provide to Grantor, its successors, assigns or other legal representatives, all such necessary cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by Grantor to more fully and effectively effectuate the purposes of this Release.

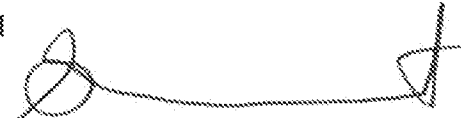

This Release shall be governed by and construed in accordance with the laws of the State of New York.

IN WITNESS WHEREOF, Security Agent has caused this Release to be executed by its duly authorized representative as of the date first set forth above.
