ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment"), is made and entered into on this 11th day of March, 2014 (the "Effective Date"), by and between DSM IP Assets B.V., a private limited liability company incorporated in The Netherlands, having its principal office at Het Overloon 1, Heerlen, Netherlands 6411 TE (hereinafter "Assignor"), and JLL/Delta Dutch Newco B.V., a private company with limited liability incorporated in The Netherlands, having a registered office at Kabelweg 37, 1014BA Amsterdam, Netherlands (hereinafter "Assignee") (each, a "Party" and collectively, the "Parties"). All capitalized terms used, but not defined herein, shall have the meanings ascribed to such terms in the Contribution Agreement (defined herein below).

WHEREAS, Assignor has registered certain trademarks and/or filed for registration of certain trademarks with the registrar of trademarks in the jurisdictions denominated in Schedule A attached (the "Assigned Trademarks"); and

WHEREAS, pursuant to that Contribution Agreement dated as of November 18, 2013 (the "Contribution Agreement") entered into by Kononklijke DSM N.V. ("DSM") and certain Affiliates of Assignee, DSM has agreed to cause Assignor to sell, convey, assign and transfer to Assignee, all of Assignor's right, title, and interest in and to the Assigned Trademarks together with all goodwill associated with and appurtenant thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties agree as follows:

1. Conveyance. Assignor does hereby sell, convey, assign and transfer to Assignee all of Assignor's right, title and interest in and to the Assigned Trademarks, together with all goodwill associated with and appurtenant thereto, and all registrations that are or may be secured, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made; together with all benefits, privileges, causes of action, and remedies relating thereto throughout the world, including, without limitation, all of Assignor's rights to: (a) apply for and maintain all registrations, renewals and/or extensions thereof; (b) claim priority under United States law or international convention; (c) bring actions and recover damages for past, present and future infringement or other violation thereof; and (d) grant licenses or other interests therein.

2. Recordation. Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks and any other applicable governmental entity or registrar (including any applicable foreign or international office or registrar) to record Assignee as the owner of the Assigned Trademarks and to issue any and all Assigned Trademarks to Assignee, as assignee of Assignor's entire right, title and interest in, to, and under the same. Assignee shall have the right to record this Assignment with all applicable governmental authorities and registrars so as to perfect its ownership of the Assigned Trademarks.

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed as of the date above first written.
