ASSIGNMENT FOR SECURITY - - TRADEMARKS

November 26, 2014

WHEREAS, each of CORIANT OPERATIONS, INC., a Delaware corporation ("Operations"), and WICHORUS, LLC (formerly known as WiChorus, Inc.), a Delaware limited liability company ("WiChorus"; together with Operations, each an "Assignor" and collectively the "Assignors"), has respectively adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, each Assignor has entered into a Senior Subordinated Secured Promissory Note, dated November 26, 2014 (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Promissory Note"), in favor of Telecom Holding Parent LLC or its registered assigns (in such capacity, together with its successors and assigns, if any, the "Assignee"); and

WHEREAS, pursuant to the Promissory Note, each Assignor has pledged to the Assignee and granted to the Assignee a continuing security interest in all right, title and interest of such Assignor in, to and under the Trademarks, together with, among other things, the good-will of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment, performance and observance of the Obligations (as defined in the Promissory Note);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Assignor does hereby pledge and grant to the Assignee a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Obligations.

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Promissory Note.

Each Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Promissory Note, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event that any provision of this Assignment is deemed to conflict with the Promissory Note, the provisions of the Promissory Note shall control.

This Assignment may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
