RELEASE OF SECURITY INTEREST

WHEREAS, BinOptics Corporation, a Delaware corporation ("BinOptics"), is the owner of the intellectual property collateral set forth in Exhibit A (the "Intellectual Property"), attached hereto and made a part hereof, together with the goodwill of the business symbolized by said Intellectual Property;

WHEREAS, pursuant to a Security Agreement dated May 11, 2004 (the "Security Agreement"), by and among BinOptics and Cayuga Venture Fund II, LLC, Draper Fisher Jurvetson Fund VII, L.P., Draper Fisher Jurvetson Partners VII, LLC, Draper Associates, L.P., and The Board of Trustees of the Leland Stanford Junior University (collectively, the "Lenders"), BinOptics granted a security interest in, among other things, all of BinOptics's right, title and interest in the Intellectual Property; and

WHEREAS, the Lenders recorded their security interest against the Intellectual Property with the U.S. Patent and Trademark Office on or about June 10, 2004;

WHEREAS, the Security Agreement was terminated pursuant to a Secured Convertible Promissory Note Termination Agreement and Warrant Amendment Agreement dated October 29, 2004 by and among BinOptics and the Lenders, but a corresponding Release of the security interest was never recorded with the U.S. Patent and Trademark Office.

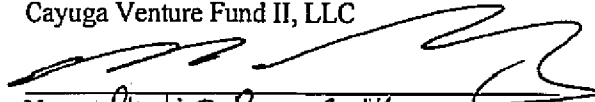

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Lenders hereby release and discharge the security interest granted under the Security Agreement in the Intellectual Property, together with the goodwill of the business symbolized by said Intellectual Property.

FURTHER, Lenders shall, at any time after the execution of this Release of Security Interest, upon request by BinOptics, do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered all such further acts, assignments, transfers, conveyances, and assurances as may, in the judgment of BinOptics, be necessary or advisable to release the security interest evidenced by the Security Agreement.

FURTHER, Lenders also hereby irrevocably designate and appoint BinOptics and its duly authorized officers and agents, as the agents and attorneys-in-fact to act for and in behalf of and instead of the Lenders, to execute and file any documents and to do all other lawfully permitted acts to further the above purposes with the same legal force and effect as if executed by Lenders.

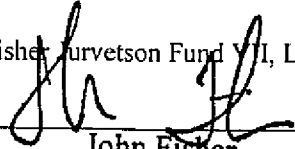

IN WITNESS WHEREOF, Lenders have caused this Release of Security Interest, effective the 11th of November, 2014.
