## INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT (this "Assignment") is made effective as of the 10th day of October, 2014, by and among Expedited Travel, LLC., a Florida limited liability company ("Assignee"), and G3 Visas & Passports, Inc., a Virginia corporation (the "Assignor"). Capitalized terms used but not defined herein shall have the meanings assigned to them in the Asset Purchase Agreement (defined below). All references to schedules and sections shall mean references to the Asset Purchase Agreement, except as otherwise noted herein.

WHEREAS, pursuant to the Asset Purchase Agreement entered into by and among the Assignor, the Assignee and the other parties thereto as of even date herewith (the "Asset Purchase Agreement"), Assignor desires to assign to Assignee, by recordable instrument, all of its rights, titles and interests in and to all Trademarks, Intellectual Property, and Intellectual Property Rights.

NOW THEREFORE, in consideration for entering into the Asset Purchase Agreement and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns, quitclaims, transfers, and conveys to the Assignee all of its rights, titles and interests in and to the Trademarks, Patents, Copyrights, Intellectual Property, and Intellectual Property Rights, including without limitation any and all registrations, applications, and/or common law rights for the Trademarks, Intellectual Property, and Intellectual Property Rights throughout the world, together with all of the goodwill of Assignor's business symbolized by or associated with the Trademarks, Intellectual Property, and Intellectual Property Rights, and any and all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto including, without limitation, damages and payments for past, present or future infringements. Assignor hereby authorizes and requests the U.S. Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Trademarks and to issue all corresponding registrations to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment. Assignor and its successors and assigns shall execute and deliver to Assignee any reasonably necessary further documents or instruments and shall take any actions which may be reasonably necessary to effect the foregoing assignment or the recordation or perfection thereof.

FURTHER, in consideration for entering into the Asset Purchase Agreement and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns, quitclaims, transfers, and conveys to the Assignee all of its rights, titles and interests in and to the Patents, Copyrights and other Intellectual Property and Intellectual Property Rights, including without limitation any and all registrations, applications, and/or common law rights for the Patents, Copyrights and other Intellectual Property throughout the world, together with all of the goodwill of Assignor's business symbolized by or associated with the Patents, Copyrights and other Intellectual Property, and any and all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto including, without limitation, damages and payments for past, present or future infringements. Assignor and its successors and assigns shall execute and deliver to Assignee any reasonably necessary

further documents or instruments and shall take any actions which may be reasonably necessary to effect the foregoing assignment or the recordation or perfection thereof.
