This Trademark Assignment (the "Agreement") is entered and made effective as of December 31, 2013 (the "Effective Date"), by and between Nanosys, Inc., a Delaware corporation ("Assignor"), and OneD Material LLC, a Delaware limited liability company (together with any successors, legal representatives of assigns thereof, "Assignee").

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks, and the applications or registrations therefor, and the right to sue or bring other actions for past, present and future infringement.

Assignor further agrees that it will, at the request and expense of Assignee, execute, verify, acknowledge and deliver all such further papers, including any instruments of transfer and recordable assignments, and perform such other acts as Assignee lawfully may request from time to time, to perfect and vest title in the Trademarks in Assignee, or Assignee's successors and assigns. If Assignee is unable for any reason whatsoever to secure Assignor's signature to any document when so required to effectuate fully this assignment, Assignor hereby irrevocably designates and appoints Assignee and Assignee's duly authorized officers and agents, as Assignor's agents and attorneys-in-fact to act for and on its behalf and instead of it, to execute and file any such document and to do all other lawfully permitted acts to further the purposes of the foregoing, with the same legal force and effect as if executed by Assignor (it being acknowledged that such appointment is irrevocable and a power coupled with an interest).
