This NetStreams Trademark Assignment Agreement (the "Trademark Assignment") is delivered as of December 2, 2014, by NetStreams, LLC, a Texas limited liability company ("Assignor"), to ClearOne, Inc., a Utah corporation (the "Assignee").

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

1. *The Trademarks.* The "Trademarks" shall mean all of Assignor's trademarks whether registered or common law rights including but not limited to the trademarks listed on Annex A hereto, as well as DIGILINX, VIEWLINX, MEDIALINX, SPEAKERLINX, and TOUCHLINX and all goodwill of the business associated with and symbolized by such marks.

2. *Ownership and Assignment.* Effective as of the Effective Time, Assignor assigns to Assignee any and all ownership, rights, titles and interests that Assignor may have in or to the Trademarks. This assignment further includes an assignment to Assignee of the goodwill in the Trademarks and the goodwill of the business associated with and symbolized by the Trademarks. This assignment also includes an assignment of any and all registrations and applications for registration of the Trademark, including those identified in Annex A.

3. *Geographic Scope of Assignments.* These assignments are given on a world-wide basis, and are not limited geographically and include assignments of all trademark rights in or to the Trademark under the laws of all countries and jurisdictions.

4. *Counterparts.* This Trademark Assignment may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which together shall constitute one and the same instrument, and it shall not be necessary in making proof of this Trademark Assignment to produce or account for more than one such counterpart.

5. *Governing Law.* This Agreement will be governed by and construed under the laws of the State of Utah without regard to conflicts-of-laws principles that would require the application of any other law.

6. *No Third Party Rights.* Nothing expressed or referred to in this Agreement will be construed to give any Person other than the parties to this Agreement any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Trademark Assignment as of the date first above written.
