TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Trademark Security Agreement") is made effective as of September 19, 2014 by and from Vidara Therapeutics Inc., a Delaware corporation, Horizon Pharma, Inc., a Delaware corporation and Horizon Pharma USA, Inc., a Delaware corporation (the "Grantors" and each a "Grantor"), to and in favor of CITIBANK, N.A., for itself and as Collateral Agent (as defined in the Credit Agreement referenced below) for the Secured Parties (as defined in the Credit Agreement referenced below) (in such capacities, the "Grantee").

WHEREAS, HORIZON PHARMA, INC., a Delaware corporation ("Horizon"), the Loan Parties (as defined in the Credit Agreement referenced below) from time to time party thereto, the LENDERS from time to time party thereto and CITIBANK, N.A., as Administrative Agent and Collateral Agent, have entered into a Credit Agreement dated as of June 17, 2014 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

WHEREAS, each Grantor has guaranteed the repayment of the Secured Obligations pursuant to a Guaranty dated as of September 19, 2014 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Guaranty").

WHEREAS, each Grantor has entered into a U.S. Pledge and Security Agreement dated as of September 19, 2014 (as may be amended, restated, supplemented or otherwise modified from time to time, the "U.S. Security Agreement").

WHEREAS, each Grantor owns the trademarks listed on Schedule A attached hereto (the "Trademarks"), which Trademarks are pending or registered with the United States Patent and Trademark Office.

WHEREAS, this Trademark Security Agreement has been executed in conjunction with the security interest granted under the U.S. Security Agreement to the Grantee for the benefit of the Secured Parties. In the event that any provisions of this Trademark Security Agreement are deemed to conflict with the U.S. Security Agreement, the provisions of the U.S. Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Credit Agreement or the U.S. Security Agreement.

2) The Security Interest.

(a) This Trademark Security Agreement is made to secure the prompt and complete payment and performance of all the Secured Obligations. Upon the occurrence of the Termination Date (as defined in the U.S. Security Agreement), the Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantors all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under the U.S. Security Agreement and this Trademark Security Agreement.

(b) Each Grantor hereby pledges and grants to the Grantee, on behalf of and for the benefit of the Secured Parties, a security interest in (other than applications for trademarks or service marks filed in the United States Patent and Trademark Office or any successor office thereto pursuant to 15 U.S.C. §1051 Section 1(b) unless and until evidence of use of the mark in interstate commerce is submitted to the United States Patent and Trademark Office or any successor office thereto pursuant to 15 U.S.C. §1051 Section 1(c) or Section 1(d)) all of such Grantor's right, title and interest, wherever located and whether now owned or hereafter acquired, in and to (i) all trademarks (including service marks), trade names, trade styles, trade dress and the registrations and applications for registration thereof, including those listed on Schedule A hereto and the goodwill of the business symbolized by the foregoing; (ii) all renewals of the foregoing; (iii) all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (iv) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (v) all rights corresponding to any of the foregoing throughout the world.

(c) Notwithstanding anything to the contrary herein, the security interests created hereunder shall not secure the Secured Obligations until such time as the first Secured Obligations come into existence and the Closing Date has occurred.

3) Governing Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

4) Recordation. Each Grantor hereby authorizes and requests that the Commissioner of Patents and Trademarks record this Trademark Security Agreement.

5) Notwithstanding anything to the contrary set forth herein, this Trademark Security Agreement, the liens created hereby and the rights and remedies of the Collateral Agent hereunder are subject to the terms and provisions of each Intercreditor Agreement (if any). In the event of any inconsistency between the provisions of this Trademark Security Agreement and any Intercreditor Agreement, the provisions of such Intercreditor Agreement shall supersede the provisions of this Trademark Security Agreement. If either Grantor shall pledge any assets or undertake any actions to perfect or protect any lien on any assets pledged in connection with the Collateral Documents or this Trademark Security Agreement, such Grantor may simultaneously pledge such assets or undertake such actions with respect to such assets as necessary to comply with the provisions set forth in any Intercreditor Agreement, without further request or consent by the Secured Parties. Any provision of this Trademark Security Agreement to the contrary notwithstanding, the Grantors shall not be required to act or refrain from acting in a manner that is inconsistent with the terms and provisions of any Intercreditor Agreement.

IN WITNESS WHEREOF, the Grantor has executed this Trademark Security Agreement effective as of the date first written above.
