FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT

This FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of December 5, 2014, (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “Agreement”), by Tecomet Inc., a Massachusetts corporation, Symmetry Medical Inc., a Delaware corporation, and Symmetry Medical Manufacturing Inc., a Delaware corporation (each, a “Grantor”) in favor of Credit Suisse AG, Cayman Islands Branch (“Credit Suisse”), as administrative agent and collateral agent (in such capacity, the “Agent”) for the Secured Parties.

Reference is made to that certain First Lien Pledge and Security Agreement, dated as of December 5, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “Security Agreement”), among the Loan Parties party thereto and the Agent, pursuant to which the Grantors have granted a security interest to the Agent in the Collateral (as defined below) and are required to execute and deliver this Agreement. The First Lien Lenders (as defined below) have extended credit to the Borrower (as defined in First Lien Credit Agreement (as defined below)) subject to the terms and conditions set forth in that certain First Lien Credit Agreement, dated as of December 5, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “First Lien Credit Agreement”), by and among, *inter alios*, Tecomet Inc., a Massachusetts corporation, as borrower (the “Borrower”), CHT Acquisition Corp., a Delaware corporation (“Holdings”), the lenders from time to time party thereto, Credit Suisse AG, Cayman Islands Branch (“CS”), in its capacities as administrative agent and collateral agent for the Lenders (in its capacities as administrative agent and collateral agent, together with its successors in such capacities, the “Agent”) and CS, as Issuing Bank. Consistent with the requirements set forth in Sections 4.01 and 5.12 of the First Lien Credit Agreement and Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, hereby grants to the Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of its right, title and interest in and to all of the following personal property, whether now owned by or owing to or hereafter acquired by or arising in favor of such Grantor and regardless of where located (collectively, the “**IP Collateral**”):

- A. all Trademark registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I hereto;
- B. all issued Patents and pending applications for Patents in the United States Patent and Trademark Office listed on Schedule II hereto;
- C. all Copyright registrations and pending applications for registration in the United States Copyright Office listed on Schedule III; and
- D. all proceeds of the foregoing;

in each case to the extent the foregoing items constitute Collateral, it being expressly understood and agreed that the term “Collateral” (and any component definition thereof) shall not include any Excluded Asset. Notwithstanding anything to the contrary contained herein, immediately upon the ineffectiveness, lapse or termination of any restriction or condition set forth in the definition of “Excluded Assets” in the

Credit Agreement, the Collateral shall include, and the relevant Grantor shall be deemed to have automatically granted a security interest in, all relevant previously restricted or conditioned rights, interests or other assets, as the case may be.

SECTION 3. *Security Agreement.* The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. *Governing Law.* This Agreement and any claim, controversy or dispute arising under or related to this Assignment and Assumption, whether in tort, contract (at law or in equity) or otherwise, shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York without regard to conflict of laws principles that would result in the application of any law other than the law of the State of New York.

SECTION 5. *Termination or Release.* (a) This Agreement shall continue in effect until the Termination Date, and the Liens granted by each relevant Grantor hereunder shall be automatically released and each relevant Grantor shall automatically be released from its obligations hereunder in the circumstances described in Article 8 and Section 9.22 of the Credit Agreement.

(b) In connection with any termination or release pursuant to paragraph (a) above, the Agent shall promptly execute (if applicable) and deliver to any Grantor, at such Grantor's expense, all UCC termination statements and similar documents that such Grantor shall reasonably request to evidence and/or effectuate such termination or release. Any execution and delivery of documents pursuant to this Section 5 shall be without recourse to or representation or warranty by the Agent or any Secured Party. The Borrower shall reimburse the Agent for all costs and expenses, including any fees and expenses of counsel, incurred by it in connection with any action contemplated by this Section 5 pursuant to and to the extent required by Section 9.03(a) of the Credit Agreement.

(c) The Agent shall have no liability whatsoever to any other Secured Party as the result of any release of Collateral by it in accordance with (or which the Agent in good faith believes to be in accordance with) the terms of this Section 5.

SECTION 6. *Counterparts.* This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or by email as a “.pdf” or “.tiff” attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT

This FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT is entered into as of [●] [●], 20[●] (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "IP Security Agreement Supplement"), by [●] (**[each, a][the]** "**Grantor**") in favor of Credit Suisse AG, Cayman Islands Branch ("**CS**"), as administrative agent and collateral agent (in such capacity, the "Agent") for the Secured Parties.

Reference is made to that certain First Lien Pledge and Security Agreement, dated as of December 5, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the "Security Agreement"), among the Loan Parties party thereto and the Agent. The First Lien Lenders (as defined below) have extended credit to the Borrower (as defined in First Lien Credit Agreement (as defined below)) subject to the terms and conditions set forth in that certain First Lien Credit Agreement, dated as of December 5, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the "First Lien Credit Agreement"), by and among, *inter alios*, Tecomet Inc., a Massachusetts corporation, as borrower (the "Borrower"), CHT Acquisition Corp., a Delaware corporation ("Holdings"), the lenders from time to time party thereto, Credit Suisse AG, Cayman Islands Branch ("**CS**"), in its capacities as administrative agent and collateral agent for the Lenders (in its capacities as administrative agent and collateral agent, together with its successors in such capacities, the "Agent") and CS, as Issuing Bank. Consistent with the requirements set forth in Sections 4.01 and 5.12 of the First Lien Credit Agreement and Section 4.03(c) of the Security Agreement, the **[Grantor][Grantors]** and the Agent have entered into that certain First Lien Intellectual Property Security Agreement, dated as of December 5, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the "IP Security Agreement"). Under the terms of the Security Agreement, the Grantor has granted to the Agent for the benefit of the Secured Parties a security interest in the Additional IP Collateral (as defined below) and have agreed, consistent with the requirements of Section 4.03(c) of the Security Agreement, to execute and deliver this IP Security Agreement Supplement. Now, therefore, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this IP Security Agreement Supplement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, **[each][the]** Grantor, pursuant to the Security Agreement, hereby grants to the Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of its right, title and interest in and to all of the following personal property, whether now owned by or owing to or hereafter acquired by or arising in favor of **[such][the]** Grantor and regardless of where located (collectively, the "Additional IP Collateral"):

A. the Trademark registrations and registration applications in the United States Patent and Trademark Office listed on Schedule I hereto;

B. the issued Patents and pending applications for Patents in the United States Patent and Trademark Office listed on Schedule II hereto;

Exhibit A

C. the Copyright registrations and pending applications for registration in the United States Copyright Office listed or required to be listed on Schedule III; and

D. all proceeds of the foregoing;

in each case to the extent the foregoing items constitute Collateral, it being expressly understood and agreed that the term "Collateral" (and any component definition thereof) shall not include any Excluded Asset. Notwithstanding anything to the contrary contained herein, immediately upon the ineffectiveness, lapse or termination of any restriction or condition set forth in the definition of "Excluded Assets" in the Credit Agreement, the Collateral shall include, and the relevant Grantor shall be deemed to have automatically granted a security interest in, all relevant previously restricted or conditioned rights, interests or other assets, as the case may be.

SECTION 3. *Security Agreement.* The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. **[Each][The]** Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Additional IP Collateral are more fully set forth in the Security Agreement and the IP Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement Supplement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. *Governing Law.* This Agreement and any claim, controversy or dispute arising under or related to this Assignment and Assumption, whether in tort, contract (at law or in equity) or otherwise, shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York without regard to conflict of laws principles that would result in the application of any law other than the law of the State of New York.

SECTION 5. *Termination or Release.* (a) This Agreement shall continue in effect until the Termination Date, and the Liens granted by **[each] [the]** relevant Grantor hereunder shall be automatically released and **[each] [the]** relevant Grantor shall automatically be released from its obligations hereunder in the circumstances described in Article 8 and Section 9.22 of the Credit Agreement.

(b) In connection with any termination or release pursuant to paragraph (a) above, the Agent shall promptly execute (if applicable) and deliver to any Grantor, at **[such] [the]** Grantor's expense, all UCC termination statements and similar documents that such Grantor shall reasonably request to evidence and/or effectuate such termination or release. Any execution and delivery of documents pursuant to this Section 5 shall be without recourse to or representation or warranty by the Agent or any Secured Party. The Borrower shall reimburse the Agent for all costs and expenses, including any fees and expenses of counsel, incurred by it in connection with any action contemplated by this Section 5 pursuant to and to the extent required by Section 9.03(a) of the Credit Agreement.

(c) The Agent shall have no liability whatsoever to any other Secured Party as the result of any release of Collateral by it in accordance with (or which the Agent in good faith believes to be in accordance with) the terms of this Section 5.

SECTION 6. *Counterparts.* This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or by email as a

Exhibit A

“pdf” or “.tiff” attachment shall be effective as delivery of a manually executed counterpart of this Agreement.
