TRADEMARK ASSIGNMENT

This **TRADEMARK ASSIGNMENT** (“Assignment”) dated as of December 8, 2014 (the “Effective Date”), is made by and between **BNI ENTERPRISES INC.**, a California corporation (“Assignor”) and **BNI HOLDINGS, LLC.**, a Delaware limited liability company (“Assignee”).

WITNESSETH:

WHEREAS, Assignor, BNI Franchise Corp., Paradigm Publishing, Inc., BNI Global Enterprises Limited, BNI Connect, LLC, Dr. Ivan Misner, Elisabeth Misner and Assignee, have entered into that certain Asset Purchase Agreement, dated as of December 8, 2014 (the “Purchase Agreement”), providing for the acquisition of assets and assumption of certain liabilities of Assignor and the other parties by Assignee;

WHEREAS, in connection with the Closing of the transactions contemplated by the Purchase Agreement, Assignor and the Assignee have agreed to deliver this Agreement; and

WHEREAS, Assignor is the owner of the trademarks and trademark registrations and applications, together with the goodwill of the business connected with the use of, or symbolized by, the foregoing, identified on Schedule A (collectively, the “Trademarks”);

NOW, THEREFORE, in accordance with the Purchase Agreement and in consideration of the premises and of the mutual covenants and agreements contained herein and therein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, intending to be legally bound, hereby agree as follows:

1. Assignment. Assignor hereby assigns to Assignee, and Assignee hereby accepts, all of Assignor’s right, title, and interest in and to the Trademarks, including without limitation, all past and present goodwill associated therewith or symbolized thereby, all common law rights thereto, all registrations that have been or may be granted thereon, all applications for registrations thereof, and all records and files related thereto, the right to claim priority in accordance with international treaties and conventions, the right to all income, royalties, damages and payments hereafter due or payable with respect to the Trademarks, the right to prosecute, maintain and defend the Trademarks before any public or private agency, office or registrar, together with the right to sue and recover damages for all causes of action (either in law or in equity). The assignments contemplated herein are meant to be absolute assignments and not by way of security. Assignor hereby authorizes the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee of all of Assignor’s right, title and interest in, to and under the Trademarks and to deliver to Assignee, and to Assignee’s attorneys, agents, successors or assigns, all official documents and communications.

2. Cooperation. At Assignee's reasonable expense, Assignor agrees to execute and deliver such other documents and to take all such other actions which the Assignee, its successors and assigns may reasonably request to effect the terms of this Assignment and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment.

3. General Provisions. Capitalized terms used herein but not defined herein shall have the meanings set forth in the Purchase Agreement. This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. This Assignment along with its Schedule, together with the Purchase Agreement, constitute the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the parties with respect hereto. In the event of any conflict between the terms of this Assignment and the terms of the Purchase Agreement shall control. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

4. Governing Law. This Assignment and any dispute arising out of, relating to or in connection with this Assignment shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to principles of conflicts of laws that would require the application of the laws of any other jurisdiction.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, Assignor and Assignee have caused this instrument to be executed by its respective duly authorized representative as of the Effective Date.
