TRADEMARK

TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this "Trademark Security Agreement") is made as of December 1, 2014 among the Grantors listed on the signature pages hereof (collectively, jointly and severally, the "Grantors" and each individually a "Grantor") and **ROYAL BANK OF CANADA** ("Royal Bank").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement dated as of March 7, 2014 (as may be amended, restated, supplemented, or otherwise modified from time to time, including all schedules thereto, the "Credit Agreement") among CCN MERGER SUB, LLC, a New York limited liability company, CARECORE NATIONAL, LLC, a New York limited liability company, CARECORE NATIONAL INTERMEDIATE HOLDINGS, LLC, a Delaware limited liability company, the lenders from time to time party thereto (the "Lenders") and Royal Bank as administrative agent and collateral agent for the Lenders (in such capacities, the "Agent"), the Lenders have agreed to make certain financial accommodations available to the Borrower from time to time pursuant to the terms and conditions thereof and the other Loan Documents;

WHEREAS, the Grantors have entered into that certain Supplement No. 2, dated as of the date hereof, to the Guarantee and Collateral Agreement dated as of March 7, 2014 (including all annexes, exhibits or schedules thereto; as from time to time amended, restated, supplemented or otherwise modified, the "Guarantee and Collateral Agreement"); and

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Grantors are required to execute and deliver to Agent this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors hereby agree as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein have the meanings given to them in the Guarantee and Collateral Agreement or the Credit Agreement, as the case may be.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby collaterally assigns and pledges to the Agent, its successors and permitted assigns, for the ratable benefit of the Secured Parties, and hereby grants to the Agent, its successors and permitted assigns, for the ratable benefit of the Secured Parties, a security interest, in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office), including those referred to on Schedule I hereto, but excluding any "intent to use" trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the

grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law (the “Trademarks”);

- (b) all goodwill associated with or symbolized by the Trademarks; and
- (c) all other assets, rights and interests that uniquely reflect or embody such Trademarks.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by the Borrower and the Grantors or (in each case) any of them, to the Agent whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. GUARANTEE AND COLLATERAL AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Agent pursuant to the Guarantee and Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantors shall comply with their respective obligations under the Guarantee and Collateral Agreement with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting the Grantors’ obligations under this Section 5, the Grantors hereby authorize the Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of any Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Agent’s continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by fax transmission or by e-mail transmission shall be deemed an original signature hereto.

7. Applicable Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

8. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan

Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Credit Agreement and the Guarantee and Collateral Agreement) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and permitted assigns. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a written record and any record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.
