## RELEASE OF TRADEMARK SECURITY INTEREST

THIS RELEASE dated as of 19<sup>th</sup> day of August, 2014, by **WELLS FARGO CAPITAL FINANCE, LLC**, a Delaware limited liability company, as Agent (as defined below) for the Lender Group and Bank Product Providers. Terms used herein and not otherwise defined shall have the meanings assigned to such terms in the Guaranty and Security Agreement, the Trademark Security Agreement, and the Credit Agreement, all of which are more particularly described below.

A. Reference is made to the Credit Agreement dated as of May 31, 2012 (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement") by and among **FIDELITY NEWPORT HOLDINGS, LLC**, a Delaware limited liability company, as parent ("Parent"), **ABRH, LLC**, a Delaware limited liability company, as borrower ("Borrower"), the lenders party thereto as "Lenders" (each of such Lenders, together with its successors and permitted assigns, is referred to hereinafter as a "Lender"), **WELLS FARGO SECURITIES, LLC**, a Delaware limited liability company, and **JEFFERIES & COMPANY, INC.**, as joint lead arrangers, **WELLS FARGO SECURITIES, LLC**, a Delaware limited liability company, and **JEFFERIES & COMPANY, INC.**, as joint book runners, **JEFFERIES & COMPANY, INC.**, as syndication agent, and **RBS CITIZENS, N.A.**, as documentation agent, and Agent.

B. Reference is made to the Trademark Security Agreement, dated as of May 31, 2012, (the "Trademark Security Agreement"), among the Grantors (as defined in the Trademark Security Agreement) in favor of the Agent, by which the Grantors granted, pursuant to the Guaranty and Security Agreement dated as of May 31, 2012, a Security Interest to the Agent, for the benefit of the Lender Group and the Bank Product Providers, in the Trademark Collateral, namely:

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I, excluding any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the PTO of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Trademark Collateral;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present, or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

To the extent that Schedule I of the Trademark Security Agreement was later amended and there was additional Trademark Collateral listed thereon which is not shown on the attached Schedule I, such additional Trademark Collateral is also subject to this release.

C. In connection with the termination of the Credit Agreement, the Borrower has informed the Agent of its desire to obtain the release of all right, title and interest of the Agent, the Lender Group and the Bank Product Providers and each other grantee or beneficiary in and to the Trademark Collateral granted under the Trademark Security Agreement (or as otherwise provided in the Guaranty and Security Agreement).

Accordingly, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all the Agent's right, title and interest (including, without limitation, Security Interests) in and to the Trademark Collateral pursuant to the Trademark Security Agreement (or as otherwise provided in the Guaranty and Security Agreement) is automatically terminated, the debt secured thereby having been paid and satisfied in full. To the extent any such Security Interest granted pursuant to the Trademark Security Agreement (or as otherwise provided in the Guaranty and Security Agreement) is deemed to have not been automatically terminated, it is hereby terminated.

IN WITNESS WHEREOF, the Agent has caused this Release of Trademark Security Interest to be duly executed by its duly authorized officer as of the day and year above written.
