TRADEMARK ASSIGNMENT

This Agreement is entered into freely by and between **U.S. VEND TECHNOLOGIES, LLC**, a California limited liability company ("Assignor"), and **VEND TECH INTERNATIONAL, INC.**, an Idaho corporation ("Assignee").

WHEREAS, Assignor is the owner of all right, title, and interest in and to the trademarks and/or service marks and the corresponding registrations and/or applications for registration set forth in Schedule A that is attached hereto (collectively, the "Trademarks"), together with the goodwill of the business connected with and symbolized by the Trademarks; and

WHEREAS, Assignee wishes to acquire the entire right, title, and interest in and to the Trademarks in perpetuity;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereby agree as set forth below:

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademarks in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer, and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth in Schedule A that is attached hereto, to Assignee as assignee of Assignor's entire right, title, and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this Agreement or to confirm Assignee's ownership of the Trademarks.
