ARTICLE II SECURITY INTERESTS

As security for the payment of all Obligations, Grantor hereby grants to Bank a security interest in all of Grantor’s right, title and interest in and to the following, whether now owned or existing or hereafter acquired or arising which shall not include any Excluded Collateral:

- Accounts;
- Chattel Paper;
- Commercial Tort Claims, if any, described on Exhibit B attached hereto and incorporated herein by reference;
- Controlled Property;
- Deposit Accounts;
- Documents;
- Equipment and Fixtures;
- General Intangibles;
- Goods;
- Instruments;
- Inventory;
- Investment Property;
- Letter-of-Credit Rights;
- Proceeds (whether cash or non-cash Proceeds, including Insurance Proceeds and non-cash Proceeds of all types);
- Products of all the foregoing; and
- Supporting Obligations.

Grantor covenants and agrees to do and execute, or cause to be done and executed, all such further lawful and reasonable acts, conveyances and assurances to ensure that the Bank’s Lien in

all of Grantor's personal property that is deemed Excluded Collateral attaches and is perfected immediately upon such personal property ceasing to satisfy the criteria for Excluded Collateral.

ARTICLE III REPRESENTATIONS AND COVENANTS OF GRANTOR

Grantor represents, warrants and covenants that:

3.1 Authorization. The execution and performance of this Agreement have been duly authorized by all necessary action and do not and will not: (a) require any consent or approval of the stockholders of any entity, or the consent of any governmental entity, which in each case has not been obtained; or (b) violate any provision of any indenture, contract, agreement or instrument to which it is a party or by which it is bound.

3.2 Title to Collateral. Grantor has good and marketable title to all of the Collateral and none of the Collateral is subject to any security interest except for the security interest created pursuant to this Agreement or other security interests permitted by the Loan Agreement (such other security interests being "Permitted Liens").

3.3 Disposition or Encumbrance of Collateral. Grantor will not encumber, sell or otherwise transfer or dispose of the Collateral without the prior written consent of Bank except as provided in this Section or for Permitted Liens. Until a Default or Event of Default has occurred and is continuing, Grantor may sell or dispose of Collateral (a) consisting of Inventory in the ordinary course of business provided that Grantor receives as consideration for such sale an amount not less than the fair market value of the Inventory at the time of such sale; and (b) so long as the net cash proceeds of such sale or other disposition are (i) reinvested in assets or property useful in Grantor's business within 180 days of the receipt thereof or (ii) delivered directly to Bank for application to the Obligations in such order as the Bank may elect.

3.4 Validity of Accounts. Grantor warrants that all Collateral consisting of Accounts, Chattel Paper and Instruments included in Grantor's schedules, financial statements or books and records are bona fide existing obligations created by the sale and actual delivery of Inventory or the rendition of services to customers in the ordinary course of business, which Grantor then owns free and clear of any security interest other than the security interest created by this Agreement or other Permitted Liens, and which are then unconditionally owing to Grantor without defenses, offset or counterclaim except those arising in the ordinary course of business that are immaterial in the aggregate and that the unpaid principal amount of any such Chattel Paper or Instrument and any security therefor is and will be as represented to Bank on the date of the delivery thereof to Bank.

3.5 Maintenance of Tangible Collateral. Grantor will maintain the tangible Collateral in good condition and repair ordinary wear and tear excepted. At the time of attachment and perfection of the security interest granted pursuant hereto and thereafter, all tangible Collateral with a value in excess of \$100,000 will be located and will be maintained only at the locations set forth on Exhibit A hereto. Except as otherwise permitted by Section 3.3, Grantor will not maintain Collateral at any other locations unless, prior to any such maintenance, Grantor has

given written notice to Bank of the location or locations to which Grantor desires to maintain the Collateral, Bank has given its written consent to such maintenance, and Grantor has delivered to Bank acknowledgment copies of financing statements filed where appropriate to continue the perfection of Bank's security interest as a first priority security interest on such Collateral. Bank's security interest attaches to all of the Collateral wherever located and Grantor's failure to inform Bank of the location of any item or items of Collateral shall not impair Bank's security interest thereon.

3.6 Notation on Chattel Paper. For purposes of the security interest granted pursuant to this Agreement, Bank has been granted a direct security interest in all Chattel Paper constituting part of the Collateral, and such Chattel Paper is not claimed merely as Proceeds of Inventory. Upon Bank's request, Grantor will deliver to Bank the original of all Chattel Paper. Grantor will not execute any copies of such Chattel Paper constituting part of the Collateral other than those which are clearly marked as a copy. Bank may stamp any such Chattel Paper with a legend reflecting Bank's security interest therein.

3.7 Instruments as Proceeds; Deposit Accounts. Notwithstanding any other provision in this Agreement concerning Instruments, Grantor covenants that Instruments constituting cash Proceeds (for example, money and checks) shall be deposited in Deposit Accounts with the Bank. Grantor has granted to the Bank a direct security interest in all Deposit Accounts constituting part of the Collateral and such Deposit Accounts are not claimed merely as Proceeds of other Collateral.

3.8 Protection of Collateral. All expenses of protecting, storing, warehousing, insuring, handling and shipping of the Collateral, all costs of keeping the Collateral free of any liens, encumbrances and security interests prohibited by this Agreement and of removing the same if they should arise, and any and all excise, property, sales and use taxes imposed by any state, federal or local authority on any of the Collateral or in respect of the sale thereof, shall be borne and paid by Grantor and if Grantor fails to promptly pay any thereof when due, Bank may, at its option, but shall not be required to pay the same whereupon the same shall constitute Obligations and shall bear interest at the Default Rate specified in the Revolving Credit Note (the "Interest Rate") and shall be secured by the security interest granted hereunder.

3.9 Insurance. Grantor will procure and maintain, or cause to be procured and maintained, insurance in accordance with the Loan Agreement.

3.10 Intentionally Omitted.

3.11 Notation of Records. Bank shall have authority, at any time, to place, or require Grantor to place, upon Grantor's books and records relating to Accounts, Chattel Paper and other rights to payment covered by the security interest granted hereby a notation or legend stating that such Accounts, Chattel Paper and other rights to payment are subject to Bank's security interest.

3.12 Intentionally Omitted.

3.13 Additional Documentation. Grantor will execute, from time to time, and authorizes Bank to execute from time to time as Grantor's attorney-in-fact and/or file, such financing statements, assignments, and other documents covering the Collateral, including Proceeds, as Bank may reasonably request in order to create, evidence, perfect, maintain or continue its security interest in the Collateral (including additional Collateral acquired by Grantor after the date hereof and any personal property of Grantor that was included in Excluded Collateral immediately upon such personal property ceasing to satisfy the criteria for Excluded Collateral), and Grantor will pay the cost of filing the same in all public offices in which Bank may deem filing to be appropriate and will notify Bank promptly upon acquiring any additional Collateral that may require an additional filing. Upon Bank's request, Grantor will deliver to Bank all Grantor's Documents, Chattel Paper and Instruments constituting part of the Collateral.

3.14 Chief Executive Office; State of Organization. The location of the chief executive office of Grantor is located in the State set forth in the preamble hereto and will not be changed from such state without 30 days' prior written notice to Bank. Grantor warrants that its books and records concerning Accounts and Chattel Paper constituting part of the Collateral are located at its chief executive office. Grantor's State of organization is the State set forth in the preamble hereto. Grantor will not change its State of organization from such State without 30 days' prior written notice to Bank, and without Bank's written consent to such change, and without delivering to Bank acknowledgment copies of financing statements filed where appropriate to continue the perfection of Bank's security interest as a first priority security interest therein.

3.15 Name of Grantor. Grantor's exact legal name and type of legal entity is as set forth in the preamble hereto. Grantor will not further change its legal name without 30 days' prior written notice to the Bank, and without Bank's written consent to such change, and without delivering to the Bank acknowledgment copies of financing statements filed where appropriate to continue the perfection of the Bank's security interest as a first priority security interest in the Collateral. Grantor has not used any other name within the past five years except those described on Exhibit A attached hereto. Grantor has not executed any financing statements or security agreements that remain effective as to the Collateral except for Permitted Liens and those described on Exhibit A attached hereto.

3.16 Disputes, Etc. Grantor shall advise Bank promptly of Inventory in excess of \$300,000.00 for any one customer in any fiscal year or in excess of \$600,000.00 in the aggregate for all customers in any fiscal year which are returned by a customer(s) or otherwise recovered from such customer(s). Grantor shall also advise Bank promptly of all disputes and claims in excess of \$300,000.00 for any one obligor on the Collateral in any fiscal year or in excess of \$600,000.00 in the aggregate for all obligors in any fiscal year and settle or adjust them at no expense to Bank. After the occurrence and during the continuance of an Event of Default, Bank may at all times settle or adjust such disputes and claims directly with the customers for amounts and upon terms which Bank considers commercially reasonable.

3.17 Power of Attorney. Grantor appoints Bank or any other person whom Bank may from time to time designate, as Grantor's attorney in fact, with power to: (a) endorse Grantor's name on any checks, notes, acceptances, drafts or other forms of payment or security evidencing

or relating to any Collateral that may come into Bank's possession; (b) sign Grantor's name on any invoice or bill of lading relating to any Collateral, on drafts against customers, on schedules and confirmatory assignments of Accounts, Chattel Paper, Documents or other Collateral, on notices of assignment, financing statements under the UCC and other public records, on verifications of accounts and on notices to customers; (c) notify the post office authorities to change the address for delivery of Grantor's mail to an address designated by Bank; (d) receive and open all mail addressed to Grantor; (e) send requests for verification of Accounts, Chattel Paper, Instruments or other Collateral to customers; and (f) do all things necessary to carry out this Agreement; provided, however, that so long as no Event of Default has occurred and is continuing, Bank: (i) shall not exercise the powers granted pursuant to Section 3.17(c), (d) or (e); and (ii) shall exercise the powers granted by Section 3.17(f) only upon Grantor's failure to take action requested by Bank within five (5) Business Days after the Bank has requested that Grantor take the requested action. Grantor ratifies and approves all acts of the attorney taken within the scope of the authority granted. Neither Bank nor the attorney will be liable for any acts of commission or omission, or for any error in judgment or mistake of fact or law. This power, being coupled with an interest, is irrevocable so long as any Obligation remains unpaid. Grantor waives presentment and protest of all instruments and notice thereof, notice of default and dishonor and all other notices to which Grantor may otherwise be entitled.

3.18 Patents and Trademarks, Etc. Grantor agrees with Bank that, until the security interest granted by this Agreement has been terminated in accordance with the terms hereof:

(a) Grantor will perform all acts and execute all documents including, without limitation, grants of security interest, in form suitable for filing with the United States Patent and Trademark Office, reasonably requested by Bank at any time to evidence, perfect, maintain, record and enforce Bank's interest in the Collateral comprised of patents (collectively the "Patents"), patent applications (collectively the "Patent Applications"), trademarks or service marks (collectively the "Trademarks") or of any applications therefor (collectively the "Trademark Applications") or otherwise in furtherance of the provisions of this Agreement;

(b) Except to the extent that Bank shall consent in writing, Grantor (either itself or through licensees) will, unless Grantor shall reasonably determine that a Trademark (or the use of a Trademark in connection with a particular class of goods or products) is not of material economic value to Grantor: (i) continue to use each Trademark on each and every trademark class of goods in order to maintain each Trademark in full force free from any claim of abandonment for non-use; (ii) maintain as in the past the quality of products and services offered under each Trademark; (iii) employ each Trademark with the appropriate notice of application or registration to the extent required by applicable law to maintain such Trademark; (iv) not use any Trademark except for the uses for which registration or application for registration of such Trademark has been made, unless such use is otherwise lawful; and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated;

(c) Except to the extent that Bank shall consent in writing, Grantor will not, unless Grantor shall reasonably determine that a Patent is not of material economic value to Grantor, do any act, or not to do any act, whereby any Patent may become abandoned or dedicated;

(d) Unless Grantor shall reasonably determine that a Patent, Patent Application, Trademark or Trademark Application is not of material economic value to Grantor, Grantor shall notify Bank immediately if it knows, or has reason to know, of any reason that any Patent, Patent Application, Trademark or Trademark Application may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court) regarding Grantor's ownership of any Patent or Trademark, its rights to register the same, or to keep and maintain the same;

(e) If Grantor, either itself or through any agent, employee, licensee or designee, shall file a Patent Application or Trademark Application for the registration of any Trademark with the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, Grantor shall promptly inform Bank, and, upon request of Bank, shall promptly execute and deliver any and all agreements, instruments, documents and papers as Bank may reasonably request to evidence Bank's security interest in such Patent or Trademark and the goodwill and general intangibles of Grantor relating thereto or represented thereby;

(f) Unless Grantor shall reasonably determine that a Patent Application or Trademark Application is not of material economic value to Grantor or except as determined in the good faith business management of the Grantor, Grantor will take all necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each Patent Application and Trademark Application (and to obtain the relevant registration) and to maintain each registration of the Patents and Trademarks, including, without limitation, filing of applications for renewal and affidavits of use;

(g) Unless Grantor shall reasonably determine that a Patent or Trademark is not of material economic value to Grantor or except as determined in the good faith business management of the Grantor, Grantor shall promptly notify Bank if Grantor becomes aware that any Patent or Trademark is infringed, misappropriated or diluted by a third party and either shall promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, or take such other actions as Grantor shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark; and

(h) Grantor agrees that it will not enter into any agreement (for example, a license agreement) which is materially inconsistent with Grantor's obligations under this Agreement.

3.19 Copyrights. Grantor agrees with Bank that, until the security interest granted by this Agreement has been terminated in accordance with the terms hereof:

(a) Grantor will perform all acts and execute all documents including, without limitation, grants of security interest, in form suitable for filing with the United States Copyright Office, reasonably requested by Bank at any time to evidence, perfect, maintain, record and enforce Bank's interest in the Collateral comprised of copyrights or copyright applications (collectively the "Copyrights") or otherwise in furtherance of the provisions of this Agreement;

(b) Except to the extent that the Bank shall consent in writing, Grantor (either itself or through licensees) will, unless Grantor shall reasonably determine that a Copyright is not of material economic value to Grantor, publish the materials for which a Copyright has been obtained (the "Works") with any notice of copyright registration required by applicable law to preserve the Copyright;

(c) Unless Grantor shall reasonably determine that a Copyright is not of material economic value to Grantor, Grantor shall notify the Bank immediately if it knows, or has reason to know, of any reason that any application or registration relating to any Copyright may become abandoned or dedicated or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Copyright Office or any court) regarding Grantor's ownership of any Copyright, its right to register the same, or to keep and maintain the same;

(d) If Grantor, either itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Copyright with the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, Grantor shall promptly inform Bank, and, upon request of Bank, execute and deliver any and all agreements, instruments, documents and papers as Bank may request to evidence Bank's security interest in such Copyright and the Works relating thereto or represented thereby;

(e) Unless Grantor shall reasonably determine that a Copyright is not of material economic value to Grantor or except as determined in the good faith business management of the Grantor, Grantor will take all commercially reasonable steps, including, without limitation, in any proceeding before the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the Copyrights;

(f) In the event that Grantor becomes aware that any Copyright is infringed by a third party, Grantor shall promptly notify Bank and shall, unless Grantor shall reasonably determine that such Copyright is not of material economic value to Grantor or except as determined in the good faith business management of the Grantor, promptly sue

to recover any and all damages or take such other actions as Grantor shall reasonably deem appropriate under the circumstances to protect such Copyright; and

(g) Grantor agrees that it will not enter into any agreement (for example, a license agreement) which is materially inconsistent with Grantor's obligations under this Agreement.

3.20 Control. Grantor will cooperate with Bank in obtaining control with respect to Collateral consisting of Deposit Accounts, Investment Property, Letter-of-Credit Rights, and Electronic Chattel Paper. Without limiting the foregoing, if Grantor becomes a beneficiary of a letter of credit with a face value in excess of \$100,000, then Grantor shall promptly notify the Bank thereof and, following Bank's written request given when any Event of Default has occurred and is continuing, use commercially reasonable best efforts to enter into a tri-party agreement with the Bank and the issuer and/or confirmation bank with respect to such letter of credit assigning the Letter-of-Credit Rights to the Bank and directing all payments thereunder to the Bank, all in form and substance reasonably satisfactory to the Bank.

3.21 Further Acts. Where Collateral in excess of \$100,000 is in the possession of a third party, Grantor will join with Bank in notifying such third party of Bank's security interest and in obtaining an acknowledgment from such third party that it is holding such Collateral for the benefit of the Bank.

3.22 Commercial Tort Claims. Grantor shall promptly notify the Bank of any Commercial Tort Claim acquired by it and, unless otherwise consented to by the Bank, Grantor shall promptly enter into a supplement to this Agreement granting to the Bank a security interest in such Commercial Tort Claim.

3.23 Motor Vehicles.

(a) Grantor shall maintain all vehicle titles at its chief executive office.

(b) Grantor shall promptly, but in any event no later than 10 days after the Bank's written request (the date on which the Grantor receives such request being the "Titles Request Date"), deliver to the Bank originals of the certificates of title or ownership for the Motor Vehicles owned by it together with appropriate grant forms executed in favor of the Bank.

(c) Upon the acquisition after the Titles Request Date by Grantor of any Motor Vehicle, Grantor shall deliver to the Bank originals of the certificates of title or ownership for such Motor Vehicle, together with the manufacturer's statement of origin, with the Bank listed as lienholder; provided that, the Bank shall not be required to be the lienholder if the Motor Vehicle to be acquired is subject to a purchase money security interest permitted by Section 8(a) of the Loan Agreement.

(d) Grantor hereby appoints the Bank as its attorney-in-fact, effective the date hereof and terminating upon the termination of this Agreement, for the purpose of (i)

executing on behalf of Grantor title or ownership applications for filing with appropriate state agencies to enable Motor Vehicles now owned or hereafter acquired by Grantor to be retitled and the Bank listed as lienholder thereof, (ii) filing such applications with such state agencies, and (iii) executing such other documents and instruments on behalf of, and taking such other action in the name of, Grantor as the Bank may deem necessary or advisable to accomplish the purposes hereof (including, without limitation, for the purpose of creating in favor of the Bank a perfected Lien on the Motor Vehicles and exercising the rights and remedies of the Bank hereunder). This appointment as attorney-in-fact is coupled with an interest and is irrevocable until all of the Obligations are paid in full after the termination of the Loan Agreement and the other Loan Documents.

(e) Any certificates of title or ownership delivered pursuant to the terms hereof shall be accompanied by odometer statements for each Motor Vehicle covered thereby.

(f) So long as no Event of Default shall have occurred and be continuing, upon the request of Grantor, the Bank shall execute and deliver to Grantor such instruments as Grantor shall reasonably request to remove the notation of the Bank as lienholder on any certificate of title for any Motor Vehicle; provided that any such instruments shall be delivered, and the release effective, only upon receipt by the Bank of a certificate from Grantor, stating that the Motor Vehicle, the Lien on which is to be released, is to be sold or has suffered a casualty loss (with title thereto passing to the casualty insurance company therefor in settlement of the claim for such loss), the amount that Grantor will receive as sale Proceeds or insurance Proceeds, and any Proceeds of such sale or casualty loss shall be paid to the Bank hereunder to be applied to the Obligations then outstanding.

ARTICLE IV COLLECTIONS

Except as otherwise provided in this Article IV, Grantor shall continue to collect, at its own expense, all amounts due or to become due to Grantor under the Accounts constituting part of the Collateral and all other Collateral. In connection with such collections, Grantor may take (and, at Bank's direction given after the occurrence and during the continuance of an Event of Default, shall take) such action as Grantor or Bank may deem necessary or advisable to enforce collection of the Accounts and such other Collateral; provided, however, that Bank shall have the right at any time after the occurrence and during the continuance of an Event of Default, without giving written notice to Grantor of Bank's intention to do so, to notify the account debtors under any Accounts or obligors with respect to such other Collateral of the assignment of such Accounts and such other Collateral to Bank and to direct such account debtors or obligors to make payment of all amounts due or to become due to Grantor thereunder directly to Bank and, upon such notification and at the expense of Grantor, to enforce collection of any such Accounts or other Collateral, and to adjust, settle or compromise the amount or payment thereof in the same manner and to the same extent as Grantor might have done, but unless and until Bank does so or gives Grantor other instructions, Grantor shall make all collections for Bank. In addition to its rights under the preceding sentence to this Section, Bank, at any time following the

occurrence and during the continuance of an Event of Default may require that Grantor instruct all current and future account debtors and obligors on other Collateral to make all payments directly to a lockbox (the "Lockbox") controlled by Bank. All payments received in the Lockbox shall be transferred to a special bank account (the "Collateral Account") maintained for the benefit of Bank subject to withdrawal by Bank only. After the earliest to occur of an Event of Default, Bank's exercise of its right to direct account debtors or other obligors on any Collateral to make payments directly to Bank or to require Grantor to establish a Lockbox, Grantor shall immediately deliver all full and partial payments on any Collateral received by Grantor to Bank in their original form, except for endorsements where necessary. Bank, at its discretion, may hold any collections on the Collateral delivered to it or deposited in the Collateral Account as cash collateral or may apply such collections to the payment of the Obligations in such order as Bank may elect; provided, however, that after an Event of Default has occurred and is continuing, Bank shall apply all collections in accordance with Section 7.7. Until such payments are so delivered to Bank, such payments shall be held in trust by Grantor for and as Bank's property, and shall not be commingled with any funds of Grantor. Any application of any collection to the payment of any Obligation is conditioned upon final payment of any check or other instrument.

ARTICLE V ASSIGNMENT OF INSURANCE

Grantor hereby assigns to Bank, as additional security for payment of the Obligations, any and all monies due or to become due under, and any and all other rights of Grantor with respect to, any and all policies of insurance covering the Collateral. So long as no Default or Event of Default has occurred and is continuing, Grantor may itself adjust and collect for any losses so long as Grantor uses the resulting Insurance Proceeds for the replacement, restoration or repair of the Collateral. After the occurrence and during the continuance of a Default or an Event of Default, Bank may (but need not) in its own name or in Grantor's name execute and deliver proofs of claim, receive such monies, and settle or litigate any claim against the issuer of any such policy and Grantor directs the issuer to pay any such monies directly to Bank and Bank, in its discretion and regardless of whether Bank exercises its right to collect Insurance Proceeds under this Section, may apply any Insurance Proceeds to the payment of the Obligations, whether due or not, in such order and manner as Bank may elect or may permit Grantor to use such Insurance Proceeds for the replacement, restoration or repair of the Collateral.

ARTICLE VI EVENTS OF DEFAULT

The occurrence of any Event of Default as defined in the Loan Agreement shall constitute an Event of Default hereunder ("Event of Default").

ARTICLE VII RIGHTS AND REMEDIES ON DEFAULT

Upon the occurrence of an Event of Default, and at any time thereafter until such Event of Default is cured to the satisfaction of Bank, and in addition to the rights granted to Bank under

Articles IV and V hereof, Bank may exercise any one or more of the following rights and remedies:

7.1 Acceleration of Obligations. Declare any and all Obligations to be immediately due and payable, and the same shall thereupon become immediately due and payable without further notice or demand.

7.2 Right of Offset. Offset any deposits, including unmatured time deposits, then maintained by Grantor with Bank, whether or not then due, against any indebtedness then owed by Grantor to Bank whether or not then due.

7.3 Deal with Collateral. In the name of Grantor or otherwise, demand, collect, receive and give receipt for, compound, compromise, settle and give acquittance for and prosecute and discontinue any suits or proceedings in respect of any or all of the Collateral.

Take any action which Bank may deem reasonably necessary or desirable in order to realize on the Collateral, including, without limitation, the power to perform any contract, to endorse in the name of Grantor any checks, drafts, notes, or other instruments or documents received in payment of or on account of the Collateral. Bank may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral. Bank may sell the Collateral without giving any warranties as to the Collateral. Bank may specifically disclaim any warranties of title or the like. This procedure will not be considered adversely to affect the commercial reasonableness of any sale of the Collateral.

7.5 Access to Property. Enter upon and into and take possession of all or such part or parts of the properties of Grantor, including lands, plants, buildings, machinery, equipment, Data Processing Records and Systems and other property as may be necessary or appropriate in the reasonable judgment of Bank, to permit or enable Bank to store, lease, sell or otherwise dispose of or collect all or any part of the Collateral, and use and operate said properties for such purposes and for such length of time as Bank may deem necessary or appropriate for said purposes without the payment of any compensation to Grantor therefor. Grantor shall provide Bank with all information and assistance requested by Bank to facilitate the storage, leasing, sale or other disposition or collection of the Collateral after an Event of Default has occurred and is continuing.

7.6 Other Rights. Exercise any and all other rights and remedies available to it by law or by agreement, including rights and remedies under the UCC as adopted in the relevant jurisdiction or any other applicable law, or under the Loan Agreement and, in connection therewith, Bank may require Grantor to assemble the Collateral and make it available to Bank at a place to be designated by Bank, and any notice of intended disposition of any of the Collateral required by law shall be deemed reasonable if such notice is mailed or delivered to Grantor at its address as shown on Bank's records at least 10 days before the date of such disposition.

(g) For the purpose of enabling Bank to exercise rights and remedies under this Agreement at such time as Bank shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, Grantor hereby grants to Bank, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to Grantor) to use, license or sublicense at such time any Patent or Trademark, now owned or hereafter acquired by Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer and automatic machinery software and programs used for the compilation or printout thereof.

(d) Bank may exercise in respect of the Copyrights, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the UCC;

(e) In order to implement the sale, lease, assignment, license, sublicense or other disposition of any of the Copyrights pursuant to this Section 7.9, Bank may, at any time, execute and deliver on behalf of Grantor one or more instruments of assignment of the Copyrights (or any application or registration thereof), in form suitable for filing, recording or registration in the Copyright Office or any country where the relevant Copyright is of material economic value to Grantor.
