TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (hereinafter referred to as the "Assignment") is made and entered into as of December 1, 2014 between Saber Data, Ltd., a Texas limited partnership (hereinafter referred to as the "Assignor"), and Crypto Prospectors, LLC, a Texas limited liability company (hereinafter referred to as the "Assignee").

WHEREAS, Assignor is the registered owner of United States Patent and Trademark Office (USPTO) registration number 3490905 for the mark "Saber Data" in international class 009, including all goodwill relating to the trademark/service mark with respect thereto (collectively, the "Mark"); and

WHEREAS, Assignee wishes to acquire the Mark from Assignor, including all goodwill relating thereto, pursuant to this Assignment, and subject to the terms and conditions hereof, Assignor desires to transfer to Assignee its entire right, title and interest in and to the Mark, including all goodwill relating thereto.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. TRANSFER OF MARK

Assignor hereby transfers, conveys, sells and assigns all right, title and interest whatsoever throughout the world in and to the Mark together with the goodwill of the business symbolized by the Mark, to Assignee in perpetuity (or for the longest period of time otherwise permitted by law).

2. FURTHER ASSURANCES

Upon request by Assignee, Assignor shall execute and deliver such further instruments and take such further actions as may be necessary to evidence more fully the transfer to Assignee of ownership of the Mark and goodwill relating thereto.

3. CONSIDERATION

In consideration of Assignor's transfer of right, title and interest in and to the Mark, Assignee shall pay to Assignee the sum of Ten Dollars \$10.00 promptly upon execution hereof.

4. WARRANTIES

Assignor represents and warrants that: (a) Assignor is the owner of the Mark; (b) to the knowledge of Assignor, the Mark, as heretofore used by Assignor, does not infringe the rights of any other person or business entity, nor has the use of the Mark by Assignor otherwise entailed any conduct subject to sanctions under the Lanham Act, 15 U.S.C. §1114, or comparable laws of other jurisdictions; (c) to the knowledge of Assignor, no claim of infringement or violation has been threatened or asserted with respect to the Mark and no such claim is pending with respect to

the Mark; and (d) Assignor has not entered into any agreement, license, release or order that restricts the right of Assignor or Assignee to use the Mark in any way.

5. PROTECTION AND DEFENSE

Assignor shall indemnify and hold harmless Assignee from and against any damage or liability, including reasonable attorneys' fees and legal expenses actually incurred and paid by Assignee for or on account of any charge, claim, suit or proceeding that alleges or is based upon any claim of any prior infringement by Assignor of the rights of any third party resulting from Assignor's use of the Mark. Assignee shall give Assignor prompt notice of any such claim and Assignor shall have the right, at its own expense, to participate in the defense thereof with legal counsel of its choice. Assignor's decisions in all such matters shall be final so long as the decisions do not involve or adversely affect Assignee or its licensees, and Assignor shall retain the right to control or resume control of the litigation at any time.

6. MISCELLANEOUS

a. This Assignment constitutes the entire agreement between the parties hereto with respect to the specific subject matter hereof and supersedes all prior agreements or understandings of any kind with respect to the specific subject matter hereof.

b. In the event that any provision or part of this Assignment shall be deemed void or invalid by a court of competent jurisdiction, the remaining provisions or parts shall be and remain in full force and effect.

c. Any modification to this Assignment must be in writing and signed by the parties or it shall have no effect and shall be void.

d. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

e. No failure by either party to pursue any remedy resulting from a breach of any provision of this Assignment by the other party shall be construed as a waiver of that breach or as a waiver of any subsequent or other breach unless such waiver is in writing and signed by an authorized representative of the non-breaching party.

f. This Assignment shall be governed in accordance with the laws of the State of Texas applicable to agreements to be wholly performed therein, without giving effect to its laws governing conflict of laws.
