2. **Assignment**

In consideration of the sum of £543,000 (the **Consideration**) to be paid in accordance with the Payment Terms , with effect from the Signing Date the Assignor hereby assigns to the Assignee absolutely with full title guarantee all its right, title and interest in and to the Trade Marks and Associated IP, including:

- a. the absolute entitlement to any registered trade marks granted pursuant to any of the applications comprised in the Trade Marks and/or Associated IP;
- b. all statutory, common law and customary law rights attaching to the Trade Marks and/or Associated IP, together with the goodwill of the business relating to the goods or services in respect of which the Trade Marks and/or Associated IP are registered and/or used; and
- c. the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action (including passing off) arising from ownership, of any of the Trade Marks and/or Associated IP whether occurring before, on or after the date of this agreement.

4. Warranties

4.1 The Assignor represents and warrants that:

- a. it is the sole legal and beneficial owner of, and owns all the rights and interests in, the Trade Marks and Associated IP;
- b. it is properly registered as the applicant or registered proprietor of the Trade Marks listed in Schedule 1;
- c. all application, registration, renewal and other fees in respect of each of the Trade Marks listed in Schedule 1 have been paid;
- d. it has not given any third party permission to use any Trade Mark and/or Associated IP or otherwise licensed or assigned any of the rights under the Trade Marks except as provided for in the Counsellor Licence;
- e. 
- f. it has not acquiesced in the unauthorised use of any Trade Mark and/or Associated IP;
- g. each registered Trade Mark is valid and subsisting and is not subject to, or likely to be subject to, amendment, challenge to validity, removal or surrender, and there is nothing that might prevent any application in the Trade Marks proceeding to grant;
- h. it is unaware of any infringement or likely infringement of any Trade Mark and/or Associated IP;

- i. no claim is outstanding by a third party that disputes the right of the Assignor to use any Trade Mark and/or Associated IP, and it is unaware of any circumstances likely to give rise to a claim;
- j. so far as it is aware, exploitation of the Trade Marks and/or Associated IP will not infringe the rights of any third party; and
- k. all previous assignments of the Trade Marks are valid and all previous assignments of the Trade Marks listed in parts A and B of Schedule 1 were registered within applicable time limits.

5. Informal Licence

5.1 With effect from the Signing Date, the Assignee hereby grants the Assignor a licence to use LighterLife generally, and also specifically to the extent necessary to comply with the Assignor's obligations pursuant to the Counsellor Licence, provided that the parties shall use all reasonable endeavours to enter into a formal licence agreement regulating this grant at the earliest opportunity, such licence to be substantially in the terms set out in the Licence Agreement dated 27 February 2014 between the Assignor and the Assignee, but to include as an additional grant the right for the Assignor to sublicense to its franchisee counsellors the rights presently granted by the Counsellor Licence.

6. Indemnity

6.1 The Assignor shall indemnify the Assignee against all liabilities, costs, expenses, damages or losses (including any direct or indirect consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other reasonable professional costs and expenses) suffered or incurred by the Assignee arising out of or in connection with:

- a. any breach by the Assignor of the warranties in clause 4 above; or
- b. the enforcement of this agreement.

6.2 At the request of the Assignee and at the Assignor's own expense, it shall provide all reasonable assistance to enable the Assignee to resist any claim, action or proceedings brought against the Assignee as a consequence of that breach.

6.3 Subject to clause 6.5 below, this indemnity shall apply whether or not the Assignee has been negligent or at fault.

6.4 If a payment due from the Assignor under this clause is subject to tax (whether by way of direct assessment or withholding at its source), the Assignee shall be entitled to receive from the Assignor such amounts as shall ensure that the net receipt, after tax, to the Assignee in respect of the payment is the same as it would have been were the payment not subject to tax.

6.5 Nothing in this clause shall restrict or limit the Assignee's general obligation at law to mitigate a loss it may suffer or incur as a result of an event that may give rise to a claim under this indemnity.

7. Further assurance

7.1 At its own expense the Assignor shall, and shall use all reasonable endeavours to procure that any necessary third party shall, promptly execute such documents and perform such acts as may reasonably be required for the purpose of giving full effect to this agreement, including registration of the Assignee as applicant or registered proprietor of the Trade Marks listed in Schedule I.

7.2 The Assignor shall do the following at the Assignee's cost and direction, pending formal registration or recordal of the assignment of the Trade Marks listed in Schedule I to the Assignee:

- a. if legally required to do so, pay all applicable application, filing, registration, renewal and other fees as they fall due;
- b. if legally required to do so, promptly satisfy all official actions issued by any relevant trade mark registry or authority;
- c. provide the Assignee with all information and other assistance required to enable the Assignee to prepare, file or prosecute applications for registration of any of the Trade Marks (including producing, in the appropriate form, any evidence of its use of the Trade Marks);
- d. ensure that copies of all correspondence that it, or its agents, receive (including any renewal advice or other notification received from any relevant registry) are promptly delivered to the Assignee, marked for the attention of Mr Francis Snodling, Legis Tax Services Limited, Legis House, 11 New Street, St Peter Port, Guernsey or any other person that the Assignee notifies to the Assignor from time to time; and
- e. provide the Assignee with all information and other assistance required by the Assignee to conduct, defend or settle any relevant claims, actions or proceedings (including, if requested by the Assignee, bringing proceedings in its own name or lending its name to any proceedings brought by the Assignee).

7.3 The Assignor shall deliver to the Assignee (or the Assignee's nominated representative) within 60 days after the date of this agreement all deeds, documents of title, certificates and other files and records (including those of its agents) relating to the Trade Marks.

7.4 The Assignor irrevocably appoints the Assignee to be its attorney in its name and on its behalf to execute documents, use the Assignor's name and do all things which are necessary or desirable for the Assignee to obtain for itself or its nominee the full benefit of this clause. A certificate in writing, signed by any director or the secretary of the Assignor or by any person appointed in accordance with clause 7.5c, that any instrument or act falls within the authority conferred by this agreement shall be conclusive evidence

that such is the case so far as any third party is concerned. This power of attorney is irrevocable as long as any of the Assignor's obligations under this agreement remain undischarged.

7.5 Without prejudice to clause 7.4, the attorney may, in any way it thinks fit and in the name and on behalf of the Assignor;

- a. take any action that this agreement requires the Assignor to take;
- b. exercise any rights which this agreement gives to the Assignor; and
- c. appoint and remove one or more substitute attorneys with full power as the Assignor's attorney on terms that the attorney thinks fit.

7.6 The Assignor must ratify and confirm everything that the attorney and any substitute attorney does or arranges using the powers granted under this clause.

8. Severance

8.1 If any provision or part-provision of this agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this agreement.

8.2 If any provision or part-provision of this agreement is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

9. Notices

9.1 Except where expressly stated otherwise in this Agreement, any notice to be given under this Agreement shall be in writing and shall be sufficiently delivered when deposited in the mail with postage prepaid and addressed to the parties' registered office.

9.2 Written notice must be given of any change to the address to which notices should be sent.

9.3 This clause does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.

10. Entire agreement and previous contracts

10.1 This agreement constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties,

representations and understandings between them, whether written or oral, relating to its subject matter.

- 10.2 Each party agrees that it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) which is not set out in this agreement. Each party agrees that it shall have no claim for innocent or negligent misrepresentation based on any statement which is set out in this agreement.

11. Variation

No variation of this agreement shall be valid unless it is in writing and signed by or on behalf of each of the parties.

12. Counterparts

This agreement may be executed in any number of counterparts, each of which, when executed, shall be an original, and all the counterparts together shall constitute one and the same agreement.

13. Third party rights

- 13.1 Except as expressly provided elsewhere in this agreement, a person who is not a party to this agreement shall not have any rights to enforce any term of this agreement.

14. Further assistance

The parties shall do all things reasonably required to give effect to this agreement.

15. Governing law and jurisdiction

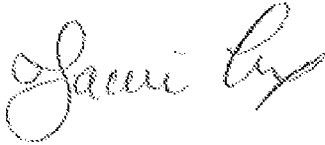

- 15.1 This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of the Island of Guernsey.
- 15.2 The parties irrevocably agree that the courts of the Island of Guernsey shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this agreement or its subject matter or formation (including non-contractual disputes or claims).
