## Assignment

This Assignment is dated September 29, 2014 by and between Jared D. Murray ("Murray") an individual, and Cretecontrol, Inc. ("Cretecontrol"), an Oregon Corporation. Murray and Cretecontrol are sometimes referred to herein as a party or collectively as "parties."

The parties agree as follows:

1. Transfer. Murray which filed for a trademark in the United States Patent Office under serial number 85972141 ("Mark"), hereby sells, transfers and conveys all right title and interest in said Mark, to wit, "CRETESHIELD", including all rights and goodwill to Cretecontrol. This is an absolute sale and assignment of the Assignor's interest in the Mark.

2. Warranty. The Owner warrants that:

- (1) said Trademark is in full force and good standing and there are no other assignments of rights or licenses granted under said Mark, or known infringements by or against said Mark.
- (2) he is the lawful Owner of said Mark, that he has full right and authority to execute and deliver this assignment and transfer
- (3) said Mark is transferred free and clear of all liens, encumbrances and adverse claims.

3. Payment. The Assignee shall pay to the Assignor the sum of \$100.00 as the purchase price for the Mark. Upon payment of this amount, the Assignor shall execute a Bill of Sale evidencing the completion of the transfer.

4. Binding Effect. This Assignment shall inure to the benefit of and be binding upon all of the parties hereto and their respective executors, administrators, successors and permitted assigns.

5. Entire Assignment. This Assignment, including the exhibits hereto and the Assignments expressly referred to herein, constitutes the entire understanding between the parties pertaining to the subject matter hereof and supersedes all prior Assignments, understandings, negotiations and discussions, whether oral or written. There are no warranties, representations or other Assignments between the parties, in connection with the subject matter hereof, except as specifically set forth herein.

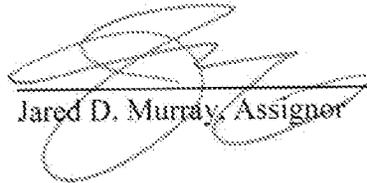

6. Applicable Law. This Assignment shall be governed by and construed in accordance with the laws of the State of California, notwithstanding the fact that one or more counterparts hereof may be executed outside of the state, or one or more of the obligations of the parties hereunder are to be performed outside of the state.

7. Execution and Counterparts. This Assignment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts together shall constitute only one instrument. Any or all of such counterparts may be executed within or outside the state of California. Any one of such counterparts shall be sufficient for the purpose of proving the existence and terms of this Assignment, and no party shall be required to produce an original or all of such counterparts in making such proof.

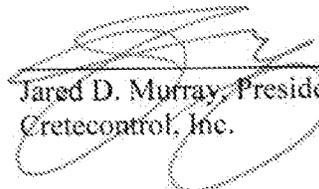

The signatures to this Assignment are evidenced electronically reflecting the members' signatures hereto. An electronic signature is sufficient to evidence the signature of a shareholder just as if it were an original signature.

Each signor acknowledges by signing this Assignment that they have read it fully, understand its terms, and have received a copy. A copy of this Assignment shall be considered the same as an original for all purposes.
