TRADEMARK ASSIGNMENT

This **ASSIGNMENT** (this “**Assignment**”), effective as of December 31, 2014, is made and entered into by and between FNF Intellectual Property Holdings, Inc., a Delaware corporation (“**Assignor**”), and Fidelity National Technology Imaging, LLC, a Delaware limited liability company (“**Assignee**”).

WITNESSETH:

WHEREAS, pursuant to a certain transaction, Assignee will no longer be affiliated with Assignor;

WHEREAS, as part of the transaction, Assignor desires to assign to Assignee all of Assignor’s right, title and interest in and to U.S. Trademark Registration No. 3,361,605 for FNTI (the “**Assigned Mark**”); and

WHEREAS, Assignee desires to accept such assignment from Assignor to Assignee of the Assigned Mark.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Assignor does hereby sell, assign, transfer, and convey to Assignee free and clear of all liens or other encumbrances and to the maximum extent provided under law, all of Assignor’s entire worldwide right, title and interest in and to the Assigned Mark, together with any related unregistered or common law trademark rights anywhere in the world, and any and all goodwill connected with any of the foregoing, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, as assignee of its entire right, title and interest therein and in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto in and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned under this Assignment.
2. The parties hereto authorize and request the Commissioner of Patents and Trademarks of the United States to record Assignee as the assignee and owner of the Assigned Mark.
3. Assignor hereby represents, covenants and warrants that (i) it is the owner of the entire right, title and interest in and to the Assigned Mark, (ii) it has the sole right and authority to enter into this Assignment and grant the rights in the Assigned Mark, without the need for any releases, consents, approvals or immunities not yet granted or obtained, (iii) it has not previously granted and shall not grant any rights in the Assigned Mark that are inconsistent with the rights granted to Assignee herein, (iv) and it has not received written notice of any third party claims of infringement or any other action related to the Assigned Mark which would be adverse to the rights granted to Assignee herein.

Execution Version

4. This Assignment shall be governed by and construed in accordance with the substantive laws of the State of New York without regard to the choice of law or conflicts of law principles thereof.
5. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. If any provision of this Assignment or the application of any such provision to any person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof.
6. This Assignment may be executed in two or more counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts together shall constitute one and the same instrument.
