DECLARATION OF MAX VERN

I, Max Vern, Attorney of Record for the Registrant hereby provide the declaration as follows in connection with release of erroneously registered security interest against Registrant's Mark.

On or about November 7, 2002, Titan Systems Corporation has recorded the security interest against certain marks for the benefit of Wachovia Bank N.A. as administrative agent. As part of that transaction, Registrant's present Mark was included in the recordation, by error. As shown in the Trademark Reel: 2615, Frame: 0766, the mark that was supposed to be secured by security interest is RAPID RETARGETING under Application S.N. 76/360,110. However, the Annex to Security Agreement stated by error Application S.N. 76/360,310, which is the number of the present mark, a clear typo. Therefore, the security interest was recorded in error and should be removed, leaving registrant's mark free of any encumbrances.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the Application or any resulting registration, declares that he is properly authorized to execute this document on behalf of Registrant; and that all statements made herein of his own knowledge are true and all statements made herein on information and belief are believed to be true.

Dated: December 24, 2014

Max Vern
