AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

THIS AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of January 14, 2015, is made by the entity listed on the first signature page hereof (“**Grantor**”), in favor of Bank of America, N.A. (“**BofA**”), as administrative agent (in such capacity, together with its successors and permitted assigns, “**Agent**”) for the Secured Parties (as defined in the ABL Credit Agreement referred to below).

WITNESSETH:

WHEREAS, pursuant to the Fourth Amended and Restated Credit Agreement, dated as of January 14, 2015 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**ABL Credit Agreement**”), by and among the Borrower, Holdings, the other Loan Parties, the Lenders and the Issuing Banks from time to time party thereto and BofA, as Agent, the Lenders and the Issuing Banks have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, Grantor has agreed, pursuant to an Amended and Restated Guaranty and Security Agreement of even date herewith in favor of Agent (as such agreement may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Guaranty and Security Agreement**”), to guarantee the Obligations (as defined in the ABL Credit Agreement) of the Borrower; and

WHEREAS, Grantor is a party to the Guaranty and Security Agreement pursuant to which the Grantor is required to execute and deliver this Amended and Restated Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the Issuing Banks and Agent to enter into the ABL Credit Agreement and to induce the Lenders and the Issuing Banks to make their respective extensions of credit to the Borrower thereunder, Grantor hereby agrees with Agent as follows:

Section1. *Defined Terms.* Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section2. *Grant of Security Interest in Trademark Collateral.* Subject to the terms of the Guaranty and Security Agreement, Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of Grantor, hereby mortgages, pledges and hypothecates to Agent for the benefit of the Secured Parties, and grants to Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor (the “**Trademark Collateral**”):

1. all Trademarks owned by Grantor and all intellectual property licenses (“**IP Licenses**”) providing for the grant by Grantor of any right under any Trademark, including, without limitation, those identified on Schedule 1 hereto;
2. all renewals and extensions of the foregoing;
3. all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
4. all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof;

provided, however, that “Trademark Collateral” shall not include any Excluded Assets.

Section3. *Guaranty and Security Agreement.* (a) The interest in the Trademark Collateral being assigned hereunder shall not be construed as a current assignment but rather as a security interest that provides the Secured Parties such rights as are provided to holders of security interests under applicable law, (b) The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Guaranty and Security Agreement and Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section4. *Grantor Remains Liable.* Subject to the terms and provisions of the Guaranty and Security Agreement, Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks and IP Licenses subject to a security interest hereunder.

Section5. *Authorization.* To the extent applicable, the parties hereto authorize and request that the Commissioner of Patents and Trademarks of the United States record this security interest in the Trademark Collateral.

Section6. *Counterparts.* This Amended and Restated Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 7. *Governing Law.* This Amended and Restated Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
