TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made and entered into by and between Buckeye Technologies Inc., a Delaware corporation ("Assignor"), and Georgia-Pacific Nonwovens LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in and to the trademarks set forth on Schedule A ("Trademarks"), and the goodwill associated therewith; and

WHEREAS, Assignor wishes to assign to Assignee all right, title and interest in and to the Trademarks, together with the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, each intending to be legally bound, hereby agree as follows:

1. Assignor does hereby sell, assign, transfer and set over to Assignee the Assignor's entire right, title and interest in and to the Trademarks together with the Assignor's goodwill in connection with which the Trademarks are used, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made, together with all income, royalties or payments in respect of the Trademarks due or payable as of the date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademarks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignee shall request the Commissioner for Trademarks of the United States or the analogous individual or agency responsible for trademarks, service marks, trade/assumed names in other countries referenced in Schedule A, to record Assignee as owner of the Trademarks, including any variations thereof, for the sole use and enjoyment of assignee, its successors, assigns or other legal representatives.

3. Assignor shall provide Assignee, its successors, assigns or other legal representatives, with reasonable cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all documentation as may be reasonably required) in the recordation of this Assignment.

The Assignor has caused this Assignment to be signed and executed by its undersigned officer thereunto duly authorized on the respective date written below.
