TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement") dated as of November 19, 2014, is made by each of the signatories party hereto (including any permitted successors and assigns, collectively, the "Grantors" and each a "Grantor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, as Collateral Agent (together with any successors thereto in such capacity, "Collateral Agent") for each of the Secured Parties.

Background.

Pursuant to the Credit Agreement dated as of November 19, 2014, among Elbit Systems of America, LLC (the "Borrower"), the lenders party thereto (each, singly, a "Lender", and collectively, the "Lenders"), and Wells Fargo Bank, National Association, as the administrative agent (such agreement, together with all amendments and restatements thereto, the "Wells Credit Agreement"), the Lenders have extended commitments to make Extensions of Credit to and for the benefit of Borrower.

Borrower and Bank Leumi USA ("Bank Leumi") have entered into a Line Letter Agreement dated as of November 19, 2014 (such agreement, together with all amendments, modifications, supplements and amendments and restatements thereto, the "Bank Leumi Credit Agreement").

In connection with the Wells Credit Agreement and the Bank Leumi Credit Agreement, Grantors, Collateral Agent and the other signatories parties thereto have executed and delivered the Security Agreement dated as of November 19, 2014 (such agreement, together with all amendments and restatements thereto, the "Security Agreement").

Pursuant to the Wells Credit Agreement, Bank Leumi Credit Agreement and the Security Agreement, each Grantor is required to execute and deliver this Agreement and to grant to Collateral Agent a continuing security interest in all of the Patent Collateral (as defined below) to secure all Secured Obligations.

Grantors have duly authorized the execution, delivery and performance of this Agreement.

Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce Lenders to make Extensions of Credit (including the initial Extension of Credit) to Borrower pursuant to the Wells Credit Agreement, and Bank Leumi to issue letters of credit under the Bank Leumi Credit Agreement, and the other Secured Parties to extend credit to or for the benefit of Borrower or any other Loan Party, each Grantor agrees, for the benefit of Collateral Agent and each other Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement and the Wells Credit Agreement.

"Trademarks" means all right, title, and interest of each Grantor in and to (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed with any Governmental Authority in connection therewith, and all extensions or renewals thereof, (b) all goodwill associated therewith or symbolized thereby, (c) all other assets, rights and interests that uniquely reflect or embody such goodwill, (d) all rights to use and/or sell any of the foregoing, and (e) the portion of the business to which each trademark pertains.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Secured Obligations, each Grantor does hereby mortgage, pledge and hypothecate to Collateral Agent, and grant to Collateral Agent a security interest in, for its benefit and the benefit of each Secured Party, all right, title, and interest in and to all of the following property, whether now owned or hereafter acquired or existing (the "Trademark Collateral"):

- (a) All Trademarks referred to in Schedule 1 attached hereto;
- (b) all embodiments or fixations thereof and related documentation, registrations and franchises, and all additions, improvements and accessions to, and books and records describing or used in connection with, any of the foregoing; and
- (c) all proceeds and products of the foregoing, including, without limitation, insurance payable by reason of loss or damage to the foregoing.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantors for the purpose of registering the security interest of Collateral Agent in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in the United States and any state thereof. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Collateral Agent for its benefit and the benefit of each Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of Collateral Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Loan Document, etc. This Agreement is a Loan Document executed pursuant to the Wells Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Wells Credit Agreement.

SECTION 6. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
