## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Trademark Assignment"), dated as of January 27, 2015, is made by OneHope Coalition of Transformational Churches, Inc. ("Assignor"), a Florida not for profit corporation, located at 600 SW 3<sup>rd</sup> Street, Pompano Beach, Florida 33060, in favor of Kindrid, LLC ("Assignee"), a Florida limited liability company, located at 600 SW 3<sup>rd</sup> Street, Pompano Beach, Florida 33060.

Whereas, Assignor has conveyed, transferred and assigned to Assignee, among other assets, certain trademarks of Assignor, and has agreed to execute and deliver this Trademark Assignment, for recording with national, federal and state government authorities including, but not limited to, the US Patent and Trademark Office ("USPTO").

NOW THEREFORE, Assignor agrees/the parties agree as follows:

1. **Assignment.** In consideration of \$10.00 paid by Assignee upon execution of this Trademark Assignment and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the following (the "Assigned Trademarks"), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks:

(a) the trademarks, trademark registrations and trademark applications set forth on Schedule 1 hereto and all issuances, extensions and renewals thereof; provided that, only with respect to United States intent-to-use trademark applications, the transfer of such applications shall not be effective until the expiration of any period during which the assignment thereof would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(b) registrations of the internet domain names set forth on Schedule 2 hereto ("Assigned Domain Names"), incorporating the Assigned Trademarks, registered to Assignor in any generic top level domain by any authorized private registrar or governmental authority;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;

(d) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by any applicable law of any jurisdiction throughout the world; and

(e) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. **Recordation and Further Actions.** Assignor authorizes the Commissioner for Trademarks of the USPTO and any other national, federal and state government officials to record and register this Trademark Assignment upon request by Assignee. Assignor shall execute any and all documents and take all other further actions as reasonably requested by Assignee to transfer ownership of the Assigned Trademarks including, but not limited to, assignments, transfers and related powers of attorney. Without limiting the foregoing, Assignor shall cooperate with Assignee and with Assignee's reasonable instructions in order to effectuate the transfer of Assignor's domain name registrations set forth on Schedule 2 hereto in a timely manner, including by corresponding with any relevant domain name registry operator or its accredited registrars to authorize the transfer of the domain name registrations and executing any documentation required by such operators or registrars.

3. **Representations and Warranties.** Assignor hereby represents and warrants to Assignee as follows, as of the date hereof:

(a) All required filings and fees related to the trademark registrations and applications listed on Schedule 1 hereto have been timely filed with and paid to the USPTO and other relevant governmental authorities and authorized registrars, and all such trademark registrations and applications are otherwise in good standing. Assignor has provided Assignee with true and complete copies of file histories, documents, certificates, office actions, correspondence and other materials related to all such trademark registrations and applications.

(b) Assignor owns all right, title and interest in and to the Assigned Trademarks, free and clear of liens, security interests and other encumbrances. Assignor is in full compliance with all legal requirements applicable to the Assigned Trademarks and Assignor's ownership and use thereof.

(c) Assignor has provided Assignee with true and complete copies of all Licenses related to the Assigned Trademarks. All such Licenses are valid, binding and enforceable between Assignor and the other parties thereto, and Assignor and such other parties are in full compliance with the terms and conditions of such Licenses.

(d) To Assignor's knowledge, no person has infringed, violated or misappropriated, or is infringing, violating or misappropriating, any of the Assigned Trademarks.

4. **Indemnity.** Assignor shall defend, indemnify and hold harmless Assignee, its affiliates and their respective shareholders, directors, officers and employees from and against all claims, judgments, damages, liabilities, settlements, losses, costs and expenses, including attorneys' fees and disbursements arising from or relating to any breach by Assignor of its representations, warranties and other obligations hereunder.

5. **Disclaimers.** Except as expressly provided herein, Assignor makes no representations, warranties, covenants, agreements or indemnities, and hereby disclaims all implied warranties, with respect to the validity of, or Assignor's or Assignee's ability to use, register or enforce the Assigned Trademarks.

6. **General.**

(a) **Entire Agreement.** This Trademark Assignment, together with all related exhibits and schedules, constitutes the sole and entire agreement of the parties with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter.

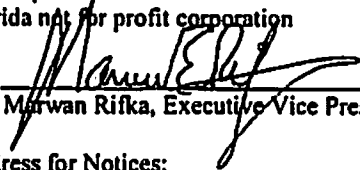

(b) **Successors and Assigns.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

(c) **Governing Law.** All matters arising out of or relating to this Trademark Assignment shall be governed by and construed in accordance with the laws of the United States and the internal laws of the State of Florida without giving effect to any choice or conflict of law provision or rule (whether of the State of Florida or any other jurisdiction).

(d) **Counterparts.** This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement.
