Declaration to Correct Improper Recordation of Security Interest
U.S. Trademark Registration No. 1,183,678 for "DURA-DISC"

This declaration is being submitted to the USPTO Assignment Recordation Branch (the "*Assignment Branch*") pursuant to TMEP § 503.06(c) to correct the Assignment Branch records as they relate to the security interest at reel/frame 3380/0178, improperly recorded against U.S. Trademark Registration No. 1,183,678 for the mark "DURA-DISC" (the "*Trademark*").

The undersigned, Timothy Crimmins, declares as follows:

1. I am VP Finance and Treasurer of AxleTech International IP Holdings, LLC.
2. AxleTech International IP Holdings, LLC is the last correct owner of, and continues to be the owner of, the Trademark.
3. On November 19, 1999 Meritor Heavy Vehicle Systems, LLC (hereinafter, "*Meritor Systems*"), the then-record owner of the Trademark, assigned all right, title and interest in the Trademark to Meritor Heavy Vehicle Technology LLC (hereinafter, "*Meritor Technology*"). The assignment was recorded in the Assignment Branch on June 5, 2000, reel/frame 2040/0949.
4. On August 23, 2006, Meritor Systems executed a document titled Confirmatory Grant of Security Interest in United States Trademarks (the "*Confirmatory Grant*"), purportedly confirming that on August 23, 2006, Meritor Systems granted a security interest in various trademarks, including the Trademark, to JP Morgan Chase Bank, National Association ("*JPMorgan Chase*"). The Confirmatory Grant was recorded with the Assignment Branch on August 29, 2006, reel/frame 3380/0178.
5. In light of the assignment of the Trademark from Meritor Systems to Meritor Technology more than six years prior to the date of the Confirmatory Grant, Meritor Systems did not own the Trademark at the time that Meritor Systems purportedly granted the security interest to JPMorgan Chase. Accordingly, the Confirmatory Grant erroneously identified the Trademark as the subject of the security interest, and the Confirmatory Grant was therefore improperly recorded against the Trademark.

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.
