## TRADEMARK ASSIGNMENT

THIS ASSIGNMENT is made effective as of December 15, 2014 by TERADATA OPERATIONS, INC., a Delaware corporation ("Teradata Operations" or "Assignor"), and TERADATA US, INC., a Delaware corporation ("Teradata US" or "Assignee"), under the following circumstances:

WHEREAS, Teradata Operations owns all right, title and interest in and to the trademarks listed on Schedule 1 attached hereto, including all registrations, applications for registration, and common law trademark rights, where such common law rights are recognized, as well as the goodwill of the business associated therewith (the "Trademarks");

WHEREAS, Teradata US, a Subsidiary of Teradata Operations, desires to acquire the entire right, title and interest in and to the Trademarks, and Teradata Operations is, at the instruction of Teradata Corporation, assigning such right, title and interest in and to the Trademarks to Teradata US.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration, the receipt and sufficiency of which hereby are acknowledged, Teradata Operations hereby sells, assigns, transfers and sets over to Teradata US, its successors and assigns, Teradata Operations' entire right, title and interest in and to the Trademarks, together with the goodwill of the business connected with the use of and symbolized by the Trademarks throughout the world in perpetuity, and all income, royalties, damages and payments now or hereinafter due or payable with respect to the Trademarks and all causes of action (either in law or in equity) related to the Trademarks, including the right to sue, counterclaim and recover damages for past, present and future infringement of any of the Trademarks, and the exclusive right to apply for and maintain all registrations, renewals, and/or extensions thereof.

Assignor hereby agrees, without further payment or compensation by Assignee or its successors or assigns, to promptly execute all papers and to perform such other acts reasonably necessary to secure to Assignee, or its successors or assigns, the rights hereby transferred, in any jurisdiction in the world, including but not limited to Assignor's execution of assignments in recordable form in each jurisdiction where trademark applications are pending and registrations are issued.

This instrument may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

This instrument may not be altered, amended, modified or terminated except in a writing signed by all parties hereto.

This instrument shall be governed by and construed in accordance with the laws of the State of Delaware without regard to the choice of law principles thereof.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by the duly authorized officers indicated below:
