ASSIGNMENT

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned:

SYMCOM, INC.

hereby sell, assign, and transfer to:

LITTELFUSE, INC.

a corporation of Delaware, having a principal place of business at 8755 West Higgins Road, Suite 500, Chicago, IL 60631, ("Assignee"). Assignor hereby conveys, transfers, assigns and delivers unto Assignee, its successors and assigns, Assignor's entire right, title, and interest in and to the Intellectual Property listed on Schedule A including, but not limited to all reissues, divisionals, continuations, continuations-in-part, inventor's certificates, utility models utility certificates, patents of importation, registration of patents, industrial design registrations and all renewals and extensions of the foregoing for all countries, jurisdictions, and political entities of the world, as applicable, and all the goodwill associated with any trademarks and service marks, along with the right to sue and recover for past infringement, as well as the right to invoke and claim the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by a convention which may henceforth be substituted for it;

agree that said Assignee may apply for and receive a patent or patents for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all reissues, divisionals, continuations, continuations-in-part, inventor's certificates, utility models utility certificates, patents of importation, registration of patents, industrial design registrations and all renewals and extensions of the foregoing for all countries, jurisdictions, and political entities of the world, as applicable, and all the goodwill associated with any trademarks and service marks and all other patent and trademark applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney, and other papers;

communicate to said Assignee, its successors, assigns, and representatives all facts known to the Assignor relating to said improvements and the history thereof; and generally assist said Assignee, its successors, assigns, or representatives in securing and maintaining proper patent and trademark protection for said improvements and for vesting title to said improvements, and all applications for patents and trademarks and all patents and trademarks on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
