TRADEMARK ASSIGNMENT

Ta Chen International, Inc., a corporation of the State of California, whose principal place of business is 5855 Obispo Ave., Long Beach, California, 90805 ("Ta Chen"), acquired from Formetco, Incorporated, a corporation of the State of Georgia, located and doing business at 2963 Pleasant Hill Road, Duluth, Georgia ("Formetco"), certain business and assets including all rights to the following trademark registrations and trade names identified in EXHIBIT A attached to this exhibit ("Trademarks"). Formetco and Ta Chen desire to formalize the transfer of rights to the Trademarks.

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, Formetco and Ta Chen agree as follows:

1. Formetco sells, grants, assigns, transfers, and delivers to Ta Chen all of its past and present rights, title and interests in and to the Trademarks including, without limitation, the goodwill of the business appurtenant to and symbolized by the Trademarks, and the right to renew any Trademark registration, to be held and enjoyed by Ta Chen for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used as fully and entirely as those rights would have been held and enjoyed by Formetco if this assignment and sale had not been made, together with all claims for damage for any past, present or future infringement of the Trademarks with the right to sue and collect damages for its own use or for the use of its successors, assigns or other legal representatives.

2. This Trademark Assignment is to be construed, performed and enforced in accordance with, and governed by the laws of the State of Georgia without giving effect to its conflicts of laws principles.

3. This Trademark Assignment may be executed simultaneously in one or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

4. Formetco requests the U.S. Patent and Trademark Office, and the corresponding entities or agencies in any applicable State and foreign countries, to record Ta Chen as the assignee and owner of the Trademarks.

IN WITNESS WHEREOF, the undersigned has caused this Trademark Assignment to be executed by its duly authorized officer, on this 29 day of Jan., 2015.
