INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (the "Agreement") is made and entered into as of the 2nd day of February, 2015 (the "Effective Date"), by and between Corinthian Colleges, Inc., a Delaware corporation with an address at 6 Hutton Center Drive, Suite 400, Santa Ana, California 92707 and certain other sellers identified in an Asset Purchase Agreement dated November 19, 2014 (as amended, the "APA") (each of the foregoing parties, an "Assignor"), in favor of Zenith Education Group, Inc., a Delaware nonprofit corporation with an address at 1 Imation Place, Building 2, Oakdale, Minnesota 55128 ("Assignee").

WHEREAS, each Assignor owns one or more marks listed on Schedule A hereto (collectively, the "Marks"); and/or

WHEREAS, each Assignor is the owner of one or more of the registered domain names set forth on the attached Schedule B (the "Domain Names") (which, together with the Marks, shall be collectively referred to hereinafter as the "Intellectual Property"); and

WHEREAS, pursuant to the APA, each Assignor agreed to assign to Assignee its right, title and interest in and to its Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which Assignor and Assignee hereby acknowledge:

1. Each Assignor hereby assigns, transfers and conveys to Assignee all of its right, title and interest in and to the Marks, including any registrations or pending applications therefor, the goodwill represented thereby, and all proceeds thereof, including, without limitation, proceeds from any and all causes of action for infringement thereof and any and all royalties for any licenses thereof, and all rights to sue, bring actions for, recover and hold damages, profits and other compensation for any and all past and future infringements and unauthorized uses thereof, such Marks and associated rights to be held and enjoyed by Assignee, for its own use, and for the use of its successors, assigns or other legal representatives to the full end of the term or terms for which the Marks may be granted, as fully and entirely as the same would have been enjoyed by such Assignor, had the assignment contained herein not been made.

2. Each Assignor hereby assigns, transfers and conveys to Assignee all of its right, title and interest in and to the Domain Names and all registrations relating to the Domain Names made with the applicable registrar. Each Assignor hereby authorizes and instructs GoDaddy, Dotster or any other relevant domain name registrar with which such Assignor registered the Domain Names, to transfer the Domain Names to Assignee or Assignee's designee. Each Assignor agrees to furnish and execute such additional documents within fifteen (15) days of request as Assignee or the relevant registrar may require to effectuate and establish Assignee's ownership of the Domain Names, including completion of the registrar-provided name change agreement.

3. Each Assignor further covenants and agrees that, upon the request of Assignee, such Assignor shall at Assignee's expense execute all papers, make all rightful oaths, testify on

behalf of Assignee, furnish such documents, materials, information and/or assistance, and do all other lawful acts necessary to perfect its assignment of the Intellectual Property to Assignee.

4. In its own name and at its own expense, Assignee may register its rights in the Intellectual Property, and each Assignor further promises and agrees that such Assignor shall, at the request of Assignee or its counsel and at Assignee's expense, execute, acknowledge and deliver all such further documents (and, in the case of the Domain Names, perform such acts) as may be required to carry out such registration.

5. This Agreement shall be binding upon each Assignor and such Assignor's successors and assigns.

**** Signature Page Follows ****

IN WITNESS WHEREOF, each Assignor and Assignee has executed this Agreement and caused the same to be duly delivered on their behalves on the day and year first set forth above.
