TRADEMARK ASSIGNMENT

This Trademark Assignment Agreement ("Trademark Assignment") is entered into as of this 27th day of February, 2015, between West Claims Recovery Services, LLC, a limited liability company organized and existing under the laws of the State of Delaware ("Assignor") located at 11808 Miracle Hills Drive, Omaha, Nebraska 68154, and West Asset Management, Inc., a corporation organized and existing under the laws of the State of Delaware located at 11808 Miracle Hills Drive, Omaha, Nebraska 68154 ("Assignee").

WHEREAS, Assignor and Assignee desire to memorialize Assignee's acquisition of all of Assignor's right, title and interest in, to and under the registered and common law trademarks assigned, including those identified in Schedule A, attached hereto (the "Trademarks");

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignor hereby sells, assigns, and transfers to Assignee, its successors and assigns, all right, title, and interest in, to and under the Trademarks, including any and all goodwill associated therewith, all registrations therefor, all common law rights therein, any and all trademark and/or service mark rights related thereto and all other rights associated with the portion of the ongoing and existing business to which the marks pertain; and in and to any and all causes of action (either in law or in equity), as well as the right to enforce any rights and file any causes of action, including without limitation the right to recover damages, for any past, present, or future infringement, misappropriation, dilution and/or other unauthorized use of the Trademarks.

2. Assignor hereby agrees to execute, acknowledge and deliver any and all further documents and to take such other and further actions as Assignee, in its reasonable discretion, deems desirable or necessary to make a record with any and all government agencies, authorities, courts, tribunals, or third parties, of the fact that Assignee owns all right, title and interest in and to the Trademarks, and any and all goodwill associated therewith, and that Assignor no longer has any right, title or interest, of any kind or nature, in or to the Trademarks, including without limitation, filing assignment documents in recordable form with any and all government agencies.

3. This Trademark Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the undersigned have caused this Trademark Assignment to be duly executed.
