RELEASE OF SECURITY INTEREST IN TRADEMARKS

This Release of Security Interest in Trademarks (“Trademark Release”), effective as of this 27th day of February, 2015, is given by Venture Lending & Leasing VI, Inc. (“VLL6”) and Venture Lending & Leasing VII, Inc. (“VLL7” and, together with VLL6, “Secured Party”), each with principal offices at 104 La Mesa Drive, Suite 102, Portola Valley, CA 94028 to Voltage Security, Inc. (“Grantor”), a Delaware corporation with principal offices at 20400 Stevens Creek Boulevard, Suite 500, Cupertino, CA 95014, as follows:

W I T N E S S E T H

WHEREAS, pursuant to that certain Intellectual Property Security Agreement by and between the parties hereto, dated as of January 31, 2014 (the “IP Security Agreement”), the Grantor has heretofore granted to Secured Party a security interest and mortgage in and to substantially all of Grantor’s personal property, whether then-existing or thereafter acquired, including without limitation:

- (a) all trademarks, trade names, corporate names, business names, trade styles, service marks, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature, then-existing or thereafter adopted or acquired, all registrations and recordings thereof, and any applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office (“USPTO”) or in any similar office or agency of the United States, any State or any other country or any political subdivision thereof, and reissues, extensions or renewals thereof, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks, including without limitation those set forth on Schedule A attached hereto (the “Marks”);

- (b) Any and all claims for damages by way of past, present and future infringement of any of the Marks, with the right, but not the obligation, to use for and collect such damages for said use or infringement of the Marks;
- (c) All licenses or other rights to use any of the Marks, and all license fees and royalties arising from such use to the extent permitted by such license or rights;
- (d) All amendments, renewals and extensions of any of the Marks; and
- (e) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing;

(collectively, the "Trademark Collateral") to secure the Obligations (as defined in the IP Security Agreement); and

WHEREAS, the Grantor has paid in full and satisfied the Obligations (other than inchoate indemnification obligations, if any, that survive termination by their terms), and Secured Party wishes to release and restore all right, title and interest in and to the Trademark Collateral to the Grantor and to dissolve any and all liens and encumbrances respecting the Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged:

1. Release. Secured Party acknowledges the satisfaction and termination of the security interest granted under the IP Security Agreement and hereby releases, discharges, terminates and relinquishes, without warranty or recourse, unto the Grantor the security interest in all Trademark Collateral granted to Secured Party by the Grantor pursuant to the IP Security Agreement, which security interest was duly recorded on February 7, 2014, at Reel 5211,

Frame 0655 in the USPTO. Secured Party hereby assigns, transfers and delivers, without warranty or recourse, to the Grantor all of its right, title and interest in and to the Trademark Collateral. Secured Party acknowledges and agrees that, as a result of this Trademark Release, it has no further rights to or interest in the Trademark Collateral.

2. Further Assurances. Secured Party hereby agrees, at Grantor's expense, to execute such instruments and to take such other actions as Grantor may reasonably request to terminate Secured Party's security interest in the Trademark Collateral, and otherwise to effectuate the release of the Trademark Collateral from Secured Party's security interest.
3. Recordation. Secured Party hereby authorizes and requests the governing body of the USPTO to record this termination and release of security interest in the Trademark Collateral.
4. Counterparts. This Trademark Release may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.
5. Several Nature of Release. This Trademark Release is and shall be interpreted for all purposes as separate and distinct agreements between Grantor and VLL6, on the one hand, and Grantor and VLL7, on the other hand. Each reference in this Trademark Release to a "Secured Party" shall mean and refer to each of VLL6 and VLL7, singly and independent of one another.

IN WITNESS WHEREOF, the undersigned, by and through its authorized officer,
has caused this instrument to be executed under seal on the date first written above.
