TRADE-MARKS ASSIGNMENT AGREEMENT

This Trade-Marks Assignment Agreement (this "Assignment") dated as of June 30, 2014 is made between **CASCADES FINE PAPERS GROUP INC.** (the "Assignor") and **ROLLAND ENTERPRISES INC.** (the "Assignee").

RECITALS

A. The Assignor and the Assignee are parties to an agreement dated June 21, 2014 (the "**Asset Purchase Agreement**") pursuant to which, the Assignor has agreed to sell to the Assignee and the Assignee has agreed to purchase from the Assignor the properties, assets, interests and rights used in carrying on the Business, other than certain excluded assets, and the Assignee has agreed to assume certain liabilities of the Assignor, all on the terms and conditions more particularly set out therein;

B. The Assignor is the owner of the trade-marks listed on the attached Schedule "A" and the registrations therefor (the "**Trade-marks**");

C. The Assignee has purchased the Trade-marks from the Assignor, pursuant to the Asset Purchase Agreement effective June 30, 2014 (the "**Closing Date**");

D. The Assignor and Assignee wish to confirm that the transfer of such right, title and interest to the Assignee took place on the Closing Date in a form suitable for recording with the Canadian Intellectual Property Office and other applicable intellectual property offices where such Trade-marks are recorded.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and the Assignee agree as follows:

1. **Definitions.** All capitalized terms not defined in this Assignment have the meanings set out in the Asset Purchase Agreement.

2. **Assignment.** The Assignor hereby confirms that, as of the Closing Date, it did assign and transfer to the Assignee, its successors and assigns, all of the right, title and interest, including, without limitation, all rights at law, in and to the Trade-marks the same to be held and enjoyed by the Assignee, its successors and assigns as fully and effectively as the same would have been held and enjoyed by the Assignor if this assignment and transfer had not been made.

3. **Further Assurances.** The Assignor shall from time to time and at all times hereafter, upon every reasonable request of the Assignee, promptly execute and deliver or cause to be executed and delivered all such further documents, deeds, assurances and instruments and shall do or cause to be done all such further acts and things as may be reasonably required by the Assignee to give effect to this Assignment, whether for more effectually and completely vesting in the Assignee the Trade-Marks or for the purpose of registration or otherwise.

4. **Paramountcy.** This Assignment is delivered pursuant to, and is subject to all of the terms and conditions contained in, the Asset Purchase Agreement. In the event of any inconsistency between the provisions of this Assignment and the provisions of the Asset Purchase Agreement, the provisions of the Asset Purchase Agreement shall prevail.

5. **Governing Law.** This Assignment shall be governed by and construed in accordance with the laws of the province of Quebec and the laws of Canada applicable in such Province and shall be treated in all respects as a Quebec contract.

6. **Severability.** Any provision of this Assignment which is prohibited or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and shall be severed from the balance of this Assignment, all without affecting the remaining provisions of this Assignment or affecting the validity or enforceability of such provision in any other jurisdiction.

7. **Successors and Assigns.** This Assignment shall enure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns.

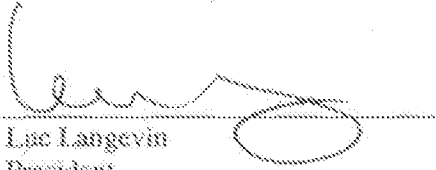

8. **Language.** The parties have required that this Assignment be drawn up in the English language. *Les parties aux présentes ont exigé que le présent contrat soit rédigé en langue anglaise.*

9. **Counterparts.** This Assignment may be executed in counterparts, each of which shall be deemed to be an original and both of which taken together shall be deemed to constitute one and the same instrument. To evidence its execution of an original counterpart of this Assignment, a Party may send a copy of its original signature on the execution page hereof to the other Party by facsimile transmission and such transmission shall constitute delivery of an executed copy of this Assignment to the receiving Party.
