ASSIGNMENT AGREEMENT

This ASSIGNMENT AGREEMENT (“Assignment Agreement”) effective as of January 30, 2015 (“Effective Date”), by and between Restoration Hardware, Inc., a Delaware corporation (“Assignor”) and RH US, LLC, a Delaware limited liability company (“Assignee”) (together the “Parties” and each individually a “Party”).

WHEREAS, Assignor is the owner of certain trademarks, domain names, copyrights, patents, trade secrets, and other intellectual property rights, whether registered or unregistered, that are identified in Schedules A and B attached hereto, including all goodwill associated therewith, and all accrued and unaccrued claims for infringement or violation of any rights therein (“Assigned Intellectual Property”); and

WHEREAS, Assignor wishes to assign to Assignee, a wholly owned subsidiary of Assignor, all right, title and interest in and to the Assigned Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor agrees as follows:

1. **Assignment of Intellectual Property.** As of the Effective Date, Assignor hereby assigns to Assignee all of Assignor’s right, title, and interest in and to all of the Assigned Intellectual Property identified in Schedule A attached hereto (including all goodwill associated therewith and all accrued or unaccrued claims for infringement or violation of any rights therein). Assignor shall assign the intellectual property identified in Schedule B to Assignee within a commercially reasonable time, up to and including December 31, 2016.
2. **Warranties and Representations.** Assignor hereby warrants and represents that: (a) at the time of execution of this Assignment, Assignor is and was the lawful owner of the entire right, title, and interest in and to the Assigned Intellectual Property; (b) Assignor has not entered into any assignment, contract or understanding in conflict herewith; (c) the Assigned Intellectual Property does not infringe any rights of any third party, and (d) there exists no valid claim or basis for challenging the enforceability or validity of the Assigned Intellectual Property.
3. **Cooperation.** Assignor hereby covenants and agrees to assist and cooperate with Assignee such that Assignee may enjoy to the fullest extent all of the right, title, and interest conveyed herein. Assignor shall, at Assignee’s request: (a) promptly execute all papers that are deemed necessary or desirable by Assignee to perfect the right, title and interest herein conveyed herein; (b) promptly execute all petitions, oaths, specifications, declarations and other papers that are deemed necessary or desirable by Assignee for filing or prosecuting of any the United States or foreign country applications for the protection of the Assigned Intellectual Property; and (c) promptly assist and cooperate in the prosecution of all legal proceedings involving the Assigned Intellectual Property, including, without limitation oppositions, cancellation proceedings, priority contests, public use proceedings, and court actions.
4. **Assignment.** The terms, covenants and conditions of this Assignment shall inure to the benefit of Assignee, its successors, assigns, and/or other legal representatives, and shall be binding upon Assignor, its heirs, legal representatives, and assigns.

IN WITNESS WHEREOF, the Parties have executed and delivered this instrument on the date set forth below, to be effective as of the Effective Date.
