SHORT-FORM TRADEMARK SECURITY AGREEMENT

WHEREAS, TEARLAB CORPORATION and TEARLAB RESEARCH, INC. (the “Grantors”) has adopted, used, are using, or intends to use, and are the owner of the trademarks and trademark applications listed in the attached Schedule of Trademarks and Trademark Applications, and the registrations and applications associated therewith;

WHEREAS, the Grantors have contemporaneously with the execution of this Short-Form Trademark Security Agreement entered into the Security Agreement dated as of March 4, 2015 (as modified from time to time, the “Security Agreement”), in which the Grantors have granted certain interests in favor of CAPITAL ROYALTY PARTNERS II L.P., CAPITAL ROYALTY PARTNERS II – PARALLEL FUND “A” L.P., and PARALLEL INVESTMENT OPPORTUNITIES PARTNERS II L.P. (together, with their successors and assigns, the “Secured Parties”);

WHEREAS, pursuant to the Security Agreement, the Grantors have agreed with the Secured Parties to execute this Short-Form Trademark Security Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors hereby grant to the Secured Parties, to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of the Grantors that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks listed on the attached Schedule of Registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all the Secured Obligations (as defined in the Security Agreement). Notwithstanding the foregoing, in the event of any conflict between this Short-Form Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

This Short-Form Trademark Security Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to principles of conflicts of laws that would result in the application of the laws of any other jurisdiction; provide that Section 5-1401 of the New York General Obligations Law shall apply.

Date: March 4, 2015

IN WITNESS WHEREOF, the party hereto has caused this Short-Form Trademark Security Agreement to be duly executed and delivered as of the day and year first above written.
