**TRADEMARK SECURITY AGREEMENT  
(SHORT-FORM)**

TRADEMARK SECURITY AGREEMENT, dated as of March 17, 2015 (this “**Agreement**”), among SURGICAL CARE AFFILIATES, INC. (the “**Borrower**”), SURGICAL CARE AFFILIATES, LLC (the “**Grantor**”) and JPMORGAN CHASE BANK, N.A., as Administrative Agent for the Secured Parties.

Reference is made to the Pledge and Security Agreement dated as of March 17, 2015 (as amended, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among the Borrower, the Grantor, certain other Subsidiaries of the Borrower party thereto and the Administrative Agent. The Secured Parties’ agreements in respect of extensions of credit to the Borrower are set forth in the Credit Agreement dated as of March 17, 2015 (as amended, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), among the Borrower, JPMorgan Chase Bank, N.A., as Administrative Agent, each Lender and L/C Issuer from time to time party thereto and other financial institutions party thereto. The Lenders and L/C Issuers have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders and L/C Issuers to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor is an affiliate of the Borrower and will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce (A) the Lenders and L/C Issuers to extend such credit, (B) the Hedge Banks to enter into and/or maintain Secured Hedge Agreements and (C) the Cash Management Banks to provide Cash Management Services. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable. The rules of construction specified in Article I of the Credit Agreement also apply to this Agreement, *mutatis mutandis*.

Section 2. Grant of Security Interest. As security for the payment in full of the Obligations, the Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

(a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, company names, business names, fictitious business names, trade styles, domain names, global top level domain names, other source or business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, and all common law rights related thereto, including those listed on Schedule I, (b) all goodwill connected therewith or symbolized thereby and (c) all other assets, rights, and interests that uniquely reflect or embody such goodwill.

Section 3. Termination. This Agreement is made to secure the satisfactory payment of the Obligations. This Agreement and the security interest granted hereby shall terminate with respect to all of the Grantor's Obligations and any Lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor's obligations thereunder. The Administrative Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver to the Grantor as such Grantor may reasonably request, at the cost and expense of such Grantor, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such satisfactory payment of the Obligations (other than (x) obligations under Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable), the Administrative Agent shall, at such Grantor's cost and expense, reasonably cooperate with any efforts made by the Grantor to make of record or otherwise confirm such satisfaction, including the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Representations and Warranties. The Borrower and the Grantor jointly and severally represent and warrant to the Administrative Agent and the Secured Parties, that a true and correct list of all of the existing material Trademark Collateral consisting of U.S. Trademark registrations or applications owned by the Grantor, in whole or in part, is set forth in Schedule I.

Section 6. Miscellaneous. The provisions of Article VI of the Security Agreement are hereby incorporated by reference.

Section 7. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of any executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

**[Signatures on following page]**

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
