IP ASSIGNMENT AGREEMENT

THIS IP ASSIGNMENT AGREEMENT (“IP Assignment Agreement”) is executed as of February 7, 2015 (the “Effective Date”), between HERO DVO HOLDINGS, LLC, a Delaware limited liability company (“Assignor”) and HERO DVO, LLC, a Delaware limited liability company (“Assignee”).

A. Assignor has agreed to sell, assign, convey, transfer and deliver to Assignee, and Assignee has agreed to purchase and acquire from Assignor, all of Assignor’s rights, title and interests in and to certain intellectual property set forth on Schedule A attached hereto; and

B. Assignor and Assignee have agreed to enter into this IP Assignment Agreement to be effective as of the Effective Date.

NOW THEREFORE, in consideration of the foregoing and the representations, warranties and agreements herein set forth, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, intending to be legally bound, hereby agree as follows:

Section 1 Assignment of Intellectual Property. Assignor hereby sells, assigns, conveys, transfers and delivers to Assignee, and Assignee hereby purchases and acquires from Assignor, free and clear of all liens, all of Assignor’s rights, title and interests in and to all Assignor’s intellectual property (whether owned by Assignor or a third Person), including, without limitation, all goodwill and all sales, advertising, promotional and marketing information and materials, and the intellectual property set forth on Schedule A attached hereto, together with any pending applications or registrations therefor, the right to sue for any and all past infringements of such Intellectual Property, and to receive any and all damages awarded as a result of any such claim, and all other rights and interests therein and thereto (“Assigned IP”).

Section 2 Further Assurances. Assignor hereby covenants and agrees that it shall, at any time after the Effective Date or from time to time thereafter at the reasonable request of Assignee, (a) execute and deliver such further instruments of sale, assignment, conveyance, transfer and delivery to Assignee as shall be reasonably necessary or appropriate to vest in Assignee good and indefeasible title to the Assigned IP, to otherwise establish the record of Assignee’s title thereto, or to more effectively consummate the assignments contemplated hereby, and (b) assist Assignee, at Assignee’s request (and at Assignee’s costs), in exercising any rights with respect thereto.

a. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the applicable officials of any other agencies or authorities, governmental or otherwise, to issue or transfer all of the Assigned IP to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

b. As and to the extent that any governmental or quasi-governmental office or agency pertaining to the filing, registration, application or processing of intellectual property, including without limitation the United States Patent and Trademark Office or the offices in which any of the Assigned IP listed in Schedule A is or was registered,

applied for, pending or recorded, requests that additional forms or documents be presented or executed by Assignor or its agents, affiliates or attorneys, Assignor shall execute such documents and deliver them to Assignee or its agents, attorneys or designees, as applicable.

Section 3 Successors and Assigns. The terms and provisions of this IP Assignment Agreement shall be binding upon, and inure to the benefit of, Assignor and Assignee, and each of their respective successors and assigns.

Section 4 Third Party Beneficiaries. Nothing in this IP Assignment Agreement is intended to or shall confer upon any Person other than the parties and their respective successors and assigns, any rights, benefits, or remedies of any nature whatsoever under or by reason of this IP Assignment Agreement or any transaction contemplated by this IP Assignment Agreement.

Section 5 Choice of Law. This IP Assignment Agreement and the rights and obligations of the parties hereto shall be governed by and shall be enforced and interpreted in accordance with the laws of the State of Delaware, without regard to conflicts of law doctrines.

Section 6 Counterparts. This IP Assignment Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Copies (facsimile or original) of signatures to this IP Assignment Agreement shall be deemed to be originals and shall be binding to the same extent as original signatures.

[Signature Page Follows]

IN WITNESS WHEREOF, the parties hereto have caused this IP Assignment Agreement to be duly executed and delivered as of the date first set forth above.
