WHEREAS, Administrative Agent, the Lenders, the other Lending Parties and Secured Swap Providers are willing to make the Loans and other financial accommodations to Borrower, but only upon the condition, among others, that each Grantor shall have executed and delivered to the Administrative Agent, for itself and the ratable benefit of Lenders, other Lending Parties, and Secured Swap Providers, those certain Borrower Security Agreement and Subsidiary Security Agreement, as applicable, each dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, each, a “**Security Agreement**” and collectively, the “**Security Agreements**”); and

WHEREAS, pursuant to the Credit Agreement and the Security Agreements, each Grantor is required to grant a Lien on the Intellectual Property Collateral (as hereinafter defined) to secure the Obligations;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors hereby agree as follows:

1. **Definitions.** All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreements or in **Section 1.1** of the Credit Agreement, as applicable.

2. **Grant of Security Interest.** To secure the prompt and complete payment and performance of all of the Obligations, each Grantor hereby grants, assigns, conveys, mortgages, pledges, hypothecates and transfers to Administrative Agent a Lien upon all of its right, title and interest of such Grantor in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Intellectual Property Collateral**”):

(f) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Patent or Patent licensed under any Patent License, (ii) injury to the goodwill associated with any Patent or any Patent licensed under any Patent License, (iii) infringement or dilution of any Trademark or Trademark licensed under any Trademark License, (iv) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License, (v) infringement or dilution of any Copyright or Copyright licensed under any Copyright License, and (vi) injury to the goodwill associated with any Copyright or any Copyright licensed under any Copyright License.

Notwithstanding the foregoing provisions of this Section 2, the grant, assignment, conveyance, mortgage, pledge, hypothecation and transfer of a Lien herein shall not extend to, and the Intellectual Property Collateral shall not include, any Excluded Property.

3. **Representations and Warranties.** Each Grantor represents and warrants to the Administrative Agent that such Grantor does not have any interest in, or title to, any Patent, registered Trademark or registered Copyright except as set forth in Schedule I, Schedule II and Schedule III, respectively, hereto. This Intellectual Property Security Agreement is effective to create a valid and continuing Lien on and, upon the recording hereof by the United States Copyright Office and the United States Patent and Trademark Office, perfected Liens in favor of Administrative Agent on each Grantor’s Patents, registered Trademarks and registered Copyrights and such perfected Liens are enforceable as such as against any and all creditors of and purchasers from such Grantor

to the extent that recording in the United States Copyright Office and the United States Patent and Trademark Office is effective to do so and subject to the proviso in the next sentence. Upon recording of this Intellectual Property Security Agreement by the United States Copyright Office and the United States Patent and Trademark Office and the filing of appropriate financing statements listed on Schedule I to the Security Agreement, all action necessary or desirable to protect and perfect Administrative Agent's Lien on each Grantor's Patents, registered Trademarks or registered Copyrights shall have been duly taken; provided, however, that the subsequent recordation of this Intellectual Property Security Agreement in the U.S. Patent and Trademark Office and U.S. Copyright Office, as applicable, may be necessary to perfect the security interest of the Administrative Agent in issued registrations and applications for other U.S. Intellectual Property that are acquired by such Grantor after the date hereof, the registration of unregistered Copyrights in the U.S. Copyright Office may be required in order to perfect the Administrative Agent's Lien therein, and the taking of actions outside the United States may be required in order to perfect the Administrative Agent's Lien in Intellectual Property included in the Collateral which is protected under non-U.S. law.

4. **Security Agreement.** The security interest granted by each Grantor pursuant to this Agreement is granted in conjunction with the security interest granted by such Grantor to Administrative Agent, on behalf of itself and the Lenders, pursuant to the respective Security Agreement. Each Grantor and Administrative Agent expressly agree that the security interests granted by it under this Agreement and the applicable Security Agreements in the Intellectual Property Collateral are intended to be treated as a single security interest for purposes of Article 9 of the Code and other applicable law. The exercise by the Administrative Agent, the Lenders, the other Lending Parties or Secured Swap Providers of any rights or remedies with respect to any of the Intellectual Property Collateral shall be deemed to be an exercise of such rights or remedies in connection with both this Agreement and the Security Agreements. In the event of any inconsistency between the terms and conditions of this Agreement and the applicable Security Agreements, the terms and conditions of the applicable Security Agreement shall prevail.

5. **Reinstatement.** This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of such Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

6. **Notices.** Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served

upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

7. **Termination; Authorized Sales of Collateral.** Subject to Section 5 hereof, this Agreement shall terminate upon the Termination Date. In the event any Grantor proposes to sell any of the Intellectual Property Collateral and such sale is permitted pursuant to the terms and conditions set forth in Section 7.8 of the Credit Agreement, then upon satisfaction of the terms and conditions that give rise to such permission, such Intellectual Property Collateral shall be released from the Lien created hereby to the extent provided under subsection 10.14(b) of the Credit Agreement and the Administrative Agent agrees, at the expense of such Grantor, to execute and deliver to such Grantor, prior to or contemporaneously with such Grantor's receipt of the proceeds from such sale, such UCC-3 termination statements and other collateral property releases necessary to release the applicable Intellectual Property Collateral from the lien and security interest of the Administrative Agent.

8. **Governing Law.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF ILLINOIS. EACH GRANTOR HEREBY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE FEDERAL AND/OR STATE COURTS SITTING IN COOK COUNTY, CITY OF CHICAGO, ILLINOIS FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH GRANTOR IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH OF THE PARTIES HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.3 OF THE CREDIT AGREEMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]
