ACCORDINGLY, in consideration of the foregoing, Grantor hereby agrees as follows:

1. Definitions. Terms defined in the Security Agreement and not otherwise defined herein shall have the meanings given them in the Security Agreement. In addition, the following terms have the meanings set forth below:

"*Trademarks*" means all of Grantors' right, title and interest in and to: trademarks, service marks, certification marks, collective marks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, trade styles, logos, other source or business identifiers, designs and general intangibles of a like nature, and, with respect to any and all of the foregoing: (i) all registrations and recordation thereof and all applications in connection therewith including, but not limited to, the registrations and applications referred to on *Schedule A* hereto (as such exhibit may be amended or supplemented from time to time); (ii) all renewals and extensions thereof; (iii) the goodwill of the business associated therewith and symbolized thereby; (iv) all rights corresponding to any of the foregoing throughout the world; (v) all rights to sue at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof,

At the request and sole expense of Grantor following any such termination, Secured Party shall execute and deliver to Grantor such documents as Grantor shall reasonably request to evidence such termination.

5. Administration of Trademarks. As long as no Event of Default shall have occurred and be continuing, Grantor may control and manage the Trademarks, including the right to receive and use the income, revenue, profits and royalties that arise from the use of the Trademarks and any licenses thereunder, in the same manner and to the same extent as if this Agreement had not been entered into. Grantor shall give Secured Party prompt notice of any material change in the status of said Trademarks or Grantor’s rights thereunder.

6. Protection of Trademarks. Grantor covenants that it will at its own expense protect, defend and maintain the Trademarks to the extent reasonably advisable in its business, provided that if Grantor fails to do so after the occurrence and during the continuation of an Event of Default, Secured Party may (but shall have no obligation to) do so in Grantor’s name or in Secured Party’s name, but at Grantor’s expense, and Grantor shall reimburse Secured Party in full for all expenses, including reasonable attorney’s fees incurred by Secured Party in protecting, defending and maintaining the Trademarks.

If Secured Party shall exercise any remedy under this Agreement, Grantor shall, at the reasonable request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid thereof. For the purposes of this Section 7, Grantor appoints Secured Party as its attorney-in-fact with the right, but not the duty, to endorse Grantor's name on all applications, documents, papers and instruments necessary for Secured Party to (i) act in its own name or enforce or use the Trademarks, (ii) grant or issue any exclusive or non-exclusive licenses under the Trademarks to any third party, and/or (iii) sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of any Trademark.
